EQUITY - COMMUNITY - EXCELLENCE IN YOUTH SOCCER

The
Great

Roxbury / South End

Scavenger Hunt

Dear Friend of South End Soccer:

August 12, 2020

South End Soccer is excited to announce our newest fundraising event . . . **The Great Roxbury/South End Scavenger Hunt, taking place October 16 - 25, 2020!** We will have a virtual celebration where we will announce scavenger hunt winners (and more!) on Friday, October 30th. **#QUESTFORSES!**

This is a virtual, team-based competition that encourages participants to complete activities in some of the South End and Roxbury's amazing outdoor spaces and local businesses. Not only will this be a fun way to raise much needed funds for South End Soccer's free programs, but it will also **support and promote our communities and local businesses.**

We know safety is a concern at this time so, these virtual and physical distanced activities will be done on your schedule and in parameters you feel comfortable with. And, your support will help do the work to bring players back on the field. We know this is a challenging time for all and we appreciate your support of youth sports as we continue to provide our programs **at NO COST.**

What to do? 1) Sponsor event, 2) Enter your business as a spot on the scavenger hunt (a physical distanced event for the community), 3) Sign up a team and/or 4) Make a donation.

Your sponsorship and donation will ensure that your business is **noticed by hundreds of families, young professionals and community members** online, in the neighborhood and with those who participate in South End Soccer. **#QUESTFORSES!**

We believe *all youth* should be able to play sports, you will help us:

- **Create equity in youth sports**, giving over 1,200 urban youth the opportunity to play the world's most popular sport regardless of prior experience or economic means;
- **Support and collaborate** with our key partners and stakeholders including Roxbury YMCA, Boston Scores, Northeastern University, University of Boston, Emerson College, Mass. Youth Soccer Assoc., local businesses, community members, the City of Boston;
- **Build** a safe, supportive and inclusive environment - we break the barriers to access and the hinderances of pay-to-play sports and systemic racism; and,
- **Strengthen community by connecting** bringing together neighbors of all socio-economic backgrounds, races, religions, and cultures.

We thank you in advance for your generosity. For your convenience, we have enclosed sponsor and donation details. See attached & please contact us with any questions. Thank you for your support in this time to make the world's most popular sport a reality for any urban youth!

Wishing you healthy, safety and strength in this time,
Caroline K. Foscatto
