- Using pages 126 and 127 in the OPD find words words that begin with each letter of the alphabet
- We could also use the colors i.e the letter R for red .
- Spell out each word and have them write the word in their notebooks
- Read the letter - Use the letter - print the letter

- Everyone stand and we will sing the ABC song

MUY IMPORTANTE

- It is interesting to note that there wasn't much in the OPD or Survival 1 for learning the alphabet.
- Next week we will work on numbers and Peg will be doing the lessons in May. She will be doing units on the calendar . Covering seasons ,events, birthdays etc and working with page 22 in the OPD . Weather, season body parts and going to the doctor.
- Pastor Craig Simenson will be joining us in the mornings.
- Everyone needs to sign up for the May/June time slot or should I keep it the same?
- If anyone has a Side by Side book, I need it to lend out.
