Primary contact _____
Address _____
City/Zip _____
Phone _____
Email _____

Reminder: The National FFA Alumni Association no longer allows the state to process or forward your local Roster to them unless dues have been paid to the state alumni association. By not paying your FFA Alumni Affiliate dues to the state and national associations, it greatly affects the state and national membership count, and decreases the dollar amount national returns for leadership activities, such as the WLC scholarships. Contact Ron if you are unable to meet deadline.
