Dear Parent,

Thank you for your interest in our program! Building Blocks Learning Center is open to children ages six weeks to five years of age. Our infant, toddler, and preschool programs are available Monday through Friday, 6:00 a.m. to 6:00 p.m.

At BBLC, our mission is to provide children with a safe, nurturing, and educational environment where creativity, exploration, and questioning is at the forefront of learning. We prepare children to be 21st-century learners and provide them with life skills, technology skills, and social skills to thrive and become prepared for their academic futures. Children will learn through sensory exercises, self-inquiry, and working together with their classmates to develop crucial skills that will prepare them for future endeavors.

Our school provides a balanced program of learning experiences designed to foster the cognitive, motor, as well as social, emotional, and aesthetic development of the preschool child. Our environment is structured to stimulate the child's curiosity and encourage self-directed learning. Children alternate between independently exploring and questioning in a planned environment and teacher led group instruction. Age and developmental level will determine placement in groups. The children have the same teacher for small group time, language arts, and music and movement. The daily program includes outdoor play, art and music experiences, technology integration, and opportunities to develop pre-academic skills in math, science, and language. Because we believe that learning for the young child takes place where there is direct interaction with the environment, our curriculum will be based on experiences that emphasize functional learning at the child's age of development. We strive to structure an environment that provides natural opportunities for language development, manipulation of materials, sensing of meanings and relationships, developing work habits, establishing friendships, and obtaining social maturity.

In addition to a quality education program, we also provide well-balanced and nutritious meals and snacks, approved by the Minnesota Department of Agriculture.

For more information, you can visit our website at www.buildingblocksduluth.com , or call us at 218-722-2252 x1. We are so happy you are with us, and look forward to watching your child learn and grow with us!

Sincerely,

Building Blocks Learning Center

First Day of School

Welcome to the Building Blocks Learning Center! The first day of school is an exciting milestone in your child's life. Your child is embarking on a journey that will lead them on many roads of discovery and learning. As wonderful as this new experience may be, it can also be quite stressful for the young child. New situations and change can, at times, be unsettling for all of us. For many children this may be their first experience of separation from parents or care givers at home. It is common for even the most outgoing child to be anxious the first day of school.

We have provided a few suggestions for assisting your child during this time. Remember the preschool staff will be available to provide support and assistance; making your child's first school days happy days.

- Prepare you child for the new school experience by explaining what to expect. Answer all questions directly and honestly.
- Convey a positive attitude. Young children are aware of your feelings. Your enthusiasm will assure the child that school can be a fun and exciting place.
- Establish a routine involving both the night before a school day as well as morning preparation. Rituals and routines will add predictability and are comforting in unfamiliar situations.
- Bring something from home. This is acceptable and often reassuring in helping the child with the initial adjustment to school. This item may be a treasured blankie or even a photo from home.
- Clearly state to your child where you will be and when you will return. It may also be helpful to discuss what will happen when you are reunited.
- Maintain a clear good-bye routine. This may include warning the child you are leaving in 3 minutes, a kiss and hug, or a wave from the window. Once you tell your child you are leaving, it is important to follow through. Extending the good-bye with, "Ok just one more kiss, and then I really have to go" tends to heighten anxiety rather than relieve it. Avoid sneaking out, as this seems to encourage children to become less trusting and makes the second day of school even harder.

Again, please know we are here to help make the first day of school a happy transition and we look forward to an exciting and fun year. Welcome!

Sincerely,

Building Blocks Learning Center Staff

Dear Parent/Guardian:

We provide nutritious meals every day to the children at our center.

The Child and Adult Care Food Program (CACFP) helps our center to pay for meals. The amount of help we get depends on the incomes of households with children in care. **Please complete the enclosed CACFP Household Income Statement** following the instructions. If your household income is higher than the guidelines shown on the instructions page, please just write "over income" on the Household Income Statement, include your children's names, and return the form.

Return your completed Household Income Statement to:
Luke Petrich C/O Building Blocks Learning Center, 4402 Haines Road Suite 1 Duluth MN, 55811. Email luke@buildingblocksduluth.com

How will my information be used? We will use your information to request CACFP assistance for meal services.

How will my information be kept? We will keep your information on file as private data. The back page of the form has more information about data privacy.

I already get MFIP or SNAP benefits. Do I meet CACFP income guidelines? Yes. You only need to provide your case number on the form if anyone in your household is approved for one of these programs: *Minnesota Family Investment Program* (MFIP), *Supplemental Nutrition Assistance Program* (SNAP) or *Food Distribution Program on Indian Reservations* (FDPIR).

Also foster children meet CACFP guidelines without providing income information.

Your household *may* meet CACFP income guidelines if you are approved for the *Women, Infants and Children* program (WIC) or *Medical Assistance* program (MA). Please fill out a Household Income Statement.

Who should I include as members of my household? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives or friends). Include anyone who is temporarily away, for example a college student.

What if my income is not always the same? List the amount that you normally get. For example, if you normally get $1,000 each month, but you missed some work last month and only got $900, put down that you get $1,000 per month. Include overtime pay if you regularly work overtime.

Do I need to provide my Social Security number? If household incomes are on the form, the person signing the form must write in just the last four digits of their Social Security number. If you don't have a Social Security number, indicate that on the form.

May I fill out a Household Income Statement if someone in my household is not a U.S. citizen? Yes. You or your children or other household members do not have to be U.S. citizens for you to fill out a CACFP Household Income Statement.

If you have other questions or need help, call **218-722-2252 x 1 or email luke@buildingblocksduluth.com**

Sincerely, **Lucas Petrich**

PRIVACY ACT STATEMENT
The Richard B. Russell National School Lunch Act requires the information on this Household Income Statement. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced-price meals. You must include the last four digits of the Social Security number of the adult household member who signs the application. The Social Security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP), or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier, or when you indicate that the adult household member signing the application does not have a Social Security number. We will use your information to determine if the participant is eligible for free or reduced-price meals, and for administration and enforcement of the program.

FARMER OR SELF-EMPLOYED
Income is your *net* income (after deducting business expenses) during the year, which is generally shown on Schedule C or F from the federal tax return. A loss from self-employment must be listed as zero income and does not reduce other income for the purpose of completing this form.

SEASONAL WORKER
Income is your *average income* before deductions (gross income, *not* take-home pay) during the year. List *average gross income* per month or other frequency.
