Bill's on the Hill

AT OLD CAPITAL GOLF CLUB

We take pride in our personal touch with the food that we serve.

Virtually everything that comes out of our kitchen is made from scratch, including all of our rubs, sauces and pasta/potato salad/slaw dressings. While some of our ingredients do come out of a jar, can or box, the only thing that has not been transformed in some way by Bill's on the Hill before serving are Merkley bratwursts, all-beef hot dogs and basic condiments. Even some of our condiments are made in house, such as tartar sauce, honey-mustard, and our house vinaigrette salad dressing!

All of our steaks are hand-cut, to our specifications, by a local butcher and we use fresh, local produce whenever possible.

While we have plenty of seating space, our kitchen is tiny, so we are only able to accommodate a limited number of diners at any given time. However, this allows us to allow you to spend a relaxing evening enjoying the best view in Corydon with family and/or friends, with no rush to leave after your meal is finished.

TAKEOUT IS AVAILABLE FROM BOTH OUR LUNCH & DINNER MENUS

The clubhouse is available for rental for corporate or private events: meetings, parties, reunions, bridal or baby showers, wedding receptions, and more. We can even accommodate on-site wedding ceremonies, with the gazebo available for rental as well.

We also offer off-site catering, with service ranging from delivery and drop-off to full buffet service. We will deliver anywhere, however delivery charges may apply outside of Corydon. For more information, please see our website
