PLEDGE SHEET

This form is to be completed by the rider, and submitted to the show staff ringside before the rider goes on course.

* A rider will have 60 seconds on the clock in which to attempt to quickly complete as many jumps as possible in a pattern designed by the rider. The total amount of a sponsor's donation is determined by multiplying the dollar amount pledged times the number of jumps completed. (i.e. \$5 pledged X 11 jumps = \$55 donation). At the end of the round, there is an opportunity for a sponsor to "double the pledge"! The rider can accept the challenge to attempt to jump an obstacle designated as the "Double My Pledge" jump - it will be of the greatest difficulty! If the rider clears the jump, then the sponsor doubles the pledge! A sponsor can accept or decline this "doubling" opportunity, and no credit is lost if the jump is not cleared successfully.

* Riders will be responsible to collect the pledged amounts before or after the show, or to complete checks from their sponsors at the completion of their jumping round. Donations can be collected at the show, or mailed in the envelope provided on the show day. (OPEN CHECKS ARE BEST!) Credit cards can be processed through the Hunterdon Medical Center Foundation website. Help to collect pledges will be available on Derby Day. Checks are to be made payable to: **Hunterdon Medical Center Foundation**
