

What is a Light Body?

There are 12 Light Bodies; The Light Bodies Line Up with your Body's 7 Chakras and lesser known 5 Chakras - Invisible/Spiritual Outside Your Body. A Light Body is a Structure of Light from Higher Dimensions. Like the Physical Body they are a Vehicle for Consciousness. As your Physical Body contains Organs and Other Physical Structures, a Light Body contains Various Structures of Light. Once Activated the Light Bodies Will Begin to Heal you and thereby Evolving & Enhancing your Body while Heightening & Amplifying your Senses by Awakening your Dormant DNA Strands, aka: Junk DNA Strands. As you Discover, Practice and Communicate with your Light Bodies, you Will Develop your Consciousness & the Potential to Work with the Universes' Energy. Further Development Will Enable You to Draw Upon your Souls' Life Experiences; including Past, Present, Parallel, Future and a Combination thereof. Enable Communication with All Souls, Living & Spirit; i.e. Beings, Animals, Plants & Minerals, Matter & Mass. Awaken Consciousness & Heal Your Soul.
