Policy Statement

We believe that high quality care and education is promoted by providing children with safe, clean, attractive, age and stage appropriate resources, toys and equipment.

Aim

We aim to provide children with resources and equipment which help to consolidate and extend their knowledge, skills, interests and aptitudes.

Method

In order to achieve this aim:

- We provide play equipment and resources which are safe and where applicable conform to the BSEN safety standards or Toys (Safety) Regulation (1995)
- We provide a sufficient quantity of equipment and resources for the number of children we have at HWPAG
- We provide resources which promote all areas of children's learning and development, which may be child or adult led
- We select books, equipment and resources which promote positive images of people of all races, cultures and abilities, are non-discriminatory and avoid racial and gender stereotyping
- We provide play equipment and resources which promote continuity and progression, provide sufficient challenge and meet the needs and interests of all children
- We provide made, natural and recycled materials which are clean, in good condition and safe for the children to use
- We provide furniture which is suitable for children and furniture which is suitable for adults
- We store and display resources and equipment where children can independently choose and select them
- We check all resources and equipment regularly as they are set out at the beginning of each session and put away at the end of each session.
- We repair and clean, or replace any unsafe, worn out, dirty or damaged equipment
- We do a deep clean of all toys and resource annually
- We provide adequate insurance cover for HWPAG's resources and equipment
