

Bits N Pieces Club
March 2018 Meeting
The Ranch

We talked about the carnival and some ideas for next year:

- Our Dog Auction Basket raised \$94 – we should consider doing more baskets as the club receives ½ the money raised – Colorado and dog themed baskets
- Official results are not back yet, but we made about \$940 for the club in the auction basket and ticket sales
- We need to fix the Wheel of Sweets wheel so it doesn't fall off the table; add a "your choice" space to the wheel so players can choose their prize
- Maybe assign families to bring certain baked goods to eliminate the too many cookies we had this year and not enough brownies
- Coke, Dr. Pepper, Root beer & Capri Sun are very popular
- Add cake to the wheel and attach an envelope to the back of the wheel to keep extra tags for changing items as the day goes on
- Booth space did not seem correct this year, so maybe request 4 spaces next year; keep the Wheel of Sweets in the corner booth; bring back bean bag toss
- Maybe add a Cake Walk
- Come up with a better way to hand out and collect carnival ticket money

Horse Clinic for March – Michelle and Cameo will head up the concessions booth

Hippology has been cancelled

Dog and Horse ID's need to be completed in 4H online by May 1st – print out a copy for your record book

We approved to spend \$140 to renew the club website

Please check the website Demonstration page for guidelines on presenting your demonstration

Leisa would like to purchase agility jumps for the dog kids, club approved spending \$200
