Final Budget Adoption (Re-hearing) Meeting Thursday, November 9, 2017

Meeting Date:

November 16, 2017

Prepared By:

Chief Financial Officer Becky Bronsdon

Date Prepared:

November 14, 2017

Subject:

Request for Board Approval of Amendment to 2016-2017 General

Fund Budget by Adoption of Resolution 2017-08

Objective:

Amend the 2016-2017 General Fund Budget to remain in compliance with statutory requirements, to reflect change in cash reserves at the beginning of the fiscal year (10-1-16), and to revise income and expenses by adoption of Resolution 2017-08.

Background Information:

The District is prohibited from exceeding the budgeted total expenses by statute. If actual expenses do exceed those budgeted, the District is in violation of the law. Therefore, it is essential to ensure the actual expenses remain within the budgeted total. The budget can be amended up to 60 days after the end of the fiscal year (9-30-17). Preliminary financial statements for the General Fund for 9-30-17 have been prepared and updated. Following the review of those updated financial statements incorporating revenue and expenses attributable to 9-30-17 received through November 14, 2017, Attachment 1 – General Fund Budget Amendment is presented for the Board's adoption.

Considerations:

If the Board does not amend the 2016-2017 budget and actual expenses exceed those budgeted, the District is in violation of the law and will, at minimum, receive an audit comment.

Fiscal Impact:

Attachment 1 identifies the budget lines proposed for amendment. The net impact of the budget amendment is as follows:

- ✓ Increase cash reserves at the beginning of the 2016-2017 fiscal year (at 10-1-16) by \$56,555 to correspond to the audit ending cash reserve balance at 9-30-16.
- ✓ **Decrease income by \$254,222** to reflect loss of the Seminole Tribe Contract, no AFG grant 2015 revenue, and an increase in Ad Valorem and miscellaneous revenue.
- ✓ Decrease expenses by \$223,778 resulting from delay in capital building construction and a corresponding decrease in expenses, and an increase in the sick leave sell back.

Overall impact on cash reserves at 9-30-17:

•	Increase beginning cash reserves	\$ 56,555
•	Decrease income	(\$254,222)
•	Decrease expenses	\$223,778
•	Net increase to cash reserves	\$ 26,111

Please note that there are still some possible additional expenses and/or income adjustments to the 9-30-17 financial statement. Based on the current 9-30-17 financial statement, the budget amendment still leaves room for possible additional adjustments. It is therefore possible that actual final income and expenses will be under budget with an increase to cash reserves possible.

Recommendation:

Staff recommends the Board approve the amendment to the 2016-2017 General Fund Budget by adoption of Resolution 2017-08 (Attachment 2)

 - 8.7.2 Extend its services week to 6 or 7 days;
 - 2.7.3 Increase the work force; and

SECTION 9 STANDARDS OF CONTRACT

- 9.1 The General Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the General Contractor to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm other than a bona fide employee working solely for the General Contractor any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award of this Contract.
- 9.2 Standard of Conduct/Conflict of Interest The General Contractor covenants and agrees that it and its employees shall be bound by the standards of conduct provided in Section 112.314, Florida Statutes (1977, as amended from time to time), as it relates to work performed under the Contract, which standards will by reference be made a part of this Contract as though set forth in full. The General Contractor agrees to incorporate the provisions of this paragraph in any subcontract into which it might enter with reference to the work performed.
- 9.3 The District reserves the right to cancel and terminate this Contract, without penalty, in the event that the General Contractor is indicted for any crime arising out of or in conjunction with any work being performed by the General Contractor for or on behalf of the District. The General Contractor shall be compensated for its services rendered up to the time of any such termination in accordance with Section 6 hereof. The District also reserves the right to terminate and cancel this contract in the event the General Contractor shall be placed in either voluntary or involuntary bankruptcy or should an assignment be made for the benefit of creditors.
- 9.4 General Contractor undertakes performance of the services as an independent contractor and shall be wholly responsible for the methods of performance. District shall have no right to supervise the methods used, but District shall have the right to observe such performance. General Contractor shall work closely with District in performing services under this Agreement.
- 9.5 General Contractor shall consider all information provided by District and all drawings, reports, studies, design calculations, specifications, and other documents resulting from the General Contractor's performance of the services to be proprietary unless such information is available from public sources. General Contractor shall not publish or disclose proprietary information for any purpose other than the performance of the services without the prior written authorization of District or in response to legal process.
- 9.6 The invalidity, illegality, or unenforceability of any provision of this Agreement, or the occurrence of any event rendering any portion or provision of this Agreement void, shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

Neither District nor General Contractor shall be considered to be in default of this 9.7 Agreement if delays in or failure of performance shall be due to uncontrollable forces the effect of which by the exercise of reasonable diligence, the non-performing party could not avoid. The term "uncontrollable forces" shall mean any event, which results in the prevention, or delay of performance by a party of its obligations under this Agreement and which is beyond the control of the non-performing party. It includes, but is not limited to, fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, inability to procure permits, licenses, or authorizations from any state, local, or federal agency or person for any of the supplies, materials, accesses, or services required to be provided by either District or General Contractor under this Agreement, strikes, work slowdowns, or other labor disturbances, and judicial restraint. Neither party shall, however, be excused from performance if nonperformance is due to uncontrollable forces which are removable or remediable and which the non-performing party could have, with the exercise of reasonable diligence, removed or remedied with reasonable dispatch. The provisions of this Article shall not be interpreted or construed to require General Contractor or District to prevent, settle, or otherwise avoid a strike, work slowdown, or the labor action. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

SECTION 10 COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

- 10.1 The General Contractor shall comply with all Federal, State and Local Laws, Ordinances, Rules and Regulations applicable to the work or payment for work thereof, and shall not discriminate on the ground of race, color, religion, sex, or national origin in the performance of work under this Agreement.

 - 10:2.1 The Equal Opportunity clause in Section 202 of Executive Order (E.O.) 11246, as amended and the implementing rules and regulations (41 CFR Part 60) are incorporated herein by reference, unless this order is exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of E.O. or provisions of any superseding E.O. As used in said clause, "Contractor" means General Contractor.
 - 10.2.2 The Affirmative Action for Handicapped Worker clause in Title 48, Code of Federal Regulations, Part 52, SubSection 222-36 and the implementing rules and regulations of the

10.3 General Contractor shall make application to procure the permits, certificates, and licenses necessary to allow General Contractor to perform the services. General Contractor shall not be responsible for procuring permits, certificates, and licenses required for any construction unless such responsibilities are specifically assigned to General Contractor.

SECTION 11 ASSIGNABILITY

Re: Battalion Chief Alan Davis an "Unsung Hero"

Dear Chief Choate,

I am so sorry to let you know this but Scott's health has taken a turn for the worse and his heart medical port has been activated again which will not allow him to be out in public as the risk of an infection is so great.

We are both so disappointed that we will not be able to be at the Fire Commission meeting tomorrow night as we both really wanted to let B/C Chief Davis know just how important that he was in saving Scott's life during Hurricane Irma.

Please let Alan and his family know our thoughts and prays are with him and that while we may not be there in person we will be there in spirit.

We owe such a debt of gratitude to the men and women that you serve with that we will never be able to repay.

All the best to you, B/C Davis and his family and of course all the men and women of Immokalee Fire and EMS.

sincerely yours,

Donna and Scott Banning

Dear Chief Choate,

Thank you so much for your very kind response to our letter to you about B/C Davis. We would be honored to be at your Nov. 16th fire commission meeting and read the letter we wrote to you about B/C Davis. I have gotten great comments from everyone that I CC'd on the letter.

As we don't have transportation of our own we will check around and see if we can't find someone here or near by that can give us a ride to station. Heck it will be nice to see our fight house after all the times your fellow firefighters and medic's have had to come to mine.

Once again thank you for your service and leading such a fine group of men and women.

We look forward to speaking to you soon.

Mr. Banning,

I want to thank you personally for this email. This can certainly be a thankless profession. Firefighters and paramedics can be such a humble bunch. They (we) find it very difficult to accept praise for simply doing our job. Just as I'm sure you have that same understanding having served our country in the armed forces. Please understand I am in no way trying compare what we do each day to what you and your wife had to endure while you served. Rather, I'm simply trying to make a comparison of the commitment and dedication that comes with this job. We do try and recognize our staff for a job well done. I do agree with you about the character traits of BC Davis. You would be hard pressed to find a more dedicated, caring and compassionate professional. I assure you that this letter will go into his permanent file and we as a department will recognize him specifically for your situation.

Would you and your wife be willing to come (if you are physically able) to a fire commission meeting? I'd like to give you the opportunity to read your email or maybe I could read it for you publicly, giving you a chance to say a few words and give him the recognition that he deserves in front of his family and peers. Our next board meeting is November 16th, here at our station on new market Rd. beginning at 6:00pm.

Let me know what your thoughts are on it. Once again, thank you very much for bringing this to my attention.

Thank you,

Re: Battalion Chief Alan Davis

Dear Chief Choate,

Please allow me to introduce ourselves to you. We are Scott and Donna Banning of Bromelia Place 612 N 11th St, Immokalee, FL 34142. This letter is about Battalion Chief Alan Davis of the Immokalee Florida Fire Control District.

My wife and have come to know Chief Davis since we first moved to Immoaklee Florida almost a year ago. As I am a very critical care patient in need of a heart transplant my health can take a severe turn for the worse in seconds as it has so

many times.

I have given this letter a great deal of thought as to just what to say about Chief Davis. Most simply put Chief Davis is a hero that has saved my life more than once. I know that in society today it's easy for someone to say "Oh you saved my life" it is completely something else to hold a life in your hands, to not shy way from doing what is necessary, to truly save a life. Battalion Chief Alan Davis by the accounts of many medical professionals saved my life.

Chief Davis or "Alan" as I will call him though out this letter is a hero, a leader of men and women, a complete professional firefighter, a man that we can all look to in our most darkest hours of need and perhaps the kindest soul of anyone I have ever met.

My wife and I both being veterans have had our share of times when the odds are against you, when there seemed to be no way out and we were ready to give up and the good lord almighty sends a you an angel to lead you from harms way and out of the darkness. Alan Davis is a man I would be proud to have stand by my side any time, any where, when the forces against you are so overwhelming that you need someone that really has your back. "Alan" is that man.

As Hurricane Irma approached the State of Florida and plans were being made I was contacted to be moved to the special needs shelter by the emergency management center and as things do happen in the "FOG" of the moment my wife and I were over looked and had to ride out the storm in our apartment.

As with so many here in Collier County "Hurricane Irma" kicked our butt. My oxygen supply that I have to be on 24 hours a day was less than an hour away from running out. With the temperature rising to over 115 degrees in our apartment and no way for us to get help, no way to call 911, no way to get out of our apartment as my medical condition will not allow me easy transport "Alan" arrived to just check on us.

In that moment "Alan" could see that my life was in real jeopardy and that I needed help right away and could not wait one more moment to get me medical aid. Alan and a group of fire fighter carried me down the flight of stairs to an awaiting fire vehicle and rushed me to a Red Cross Disaster Relief site that had critical care nurses and doctors waiting for me. As my body temperature had risen to an extremely high level, my internal organs were shutting down Alan took control of the situation and as calm as I have ever seen him. He never lost sight of what needed to be done to see that I lived to see another day.

The critical cares nurses of the Red Cross and the Doctors and Nurses of National Disaster Medical System (NDMS) of the Department of Health and Human Services all credit the quick thinking of Battalion Chief Alan Davis as I would not have lived.

On behalf of myself and my wife we can only give Battalion Chief Alan Davis our personal "Unsung Hero Award" or "Heros Operi Latura Vetustas" if you will.

I hope all who read this letter will take the time out of there busy lives to speak

with Battalion Chief Alan Davis. To get to know the man my wife and I call an angel, hero and most importantly to us our friend. Alan is a humble man and may be a bit uncomfortable with my words of praise that I have spoken of him. However Alan deserves the praise of all of us that call the Great State of Florida home.

Chief Choate I hope this letter is well received by you and the men and women that day in and day out serve with Battalion Chief Alan Davis.

Our hopes and prays are with you all to be safe and well and of course to thank all the men and women you oversee for there service.

Truly yours,

Scott and Donna Banning
