

Knick Knack News

Letter from the Director

Welcome to 2020! A brand new decade and a brand new newsletter! Some of you may be thinking, what does Knick Knack have to do with Camp 7? I highly encourage you to ask veteran campers and they'll give you the scoop! If you don't know a camper, the best way to find out is by joining us this summer. Don't worry campers, I'll keep it a secret.

To be honest, I was a bit relieved to sit at my desk the Monday after Summer 2019 ended. Scratch that! One hour later I was ready to be back in the sunshine and having fun with our campers. I thought of the time I landed in a mud puddle, catching a kickball during Say "Yes" to the Mess and when a camper accidentally dropped a melting jumbo marshmallow on my tennis shoe on the final overnight.

With happy memories in mind, I've spent the past four months meeting outside the office with community resources, individuals and organizations, planning for the new year. Along with meetings, I've done some field trip research by checking out more of the Western Slope. I traveled to the Maroon Bells and to Gateway through the Unaweep Canyon. Having only lived in Grand Junction for a year and a half, there is still so much more to see and I can't wait to share!

Thank you for reading our very first newsletter. Stay tuned every quarter for a new issue.

Happy New Year!! Make it a good one!

Kelsey

Gratitude Gathering

"I am thankful for the chance to visit my family this holiday. My family is spread out throughout the country and planning a combined visit can be a challenge. The timing was perfect this year and I was able to spend quality time with my loved ones."

- Kelsey, Camp Director

"Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow."

- Melody Beattie

Program Changes

For Summer 2020, Camp 7 and SOAR (Seeking Out Adventure & Recreation) will be joining forces! Camp 7 - SOAR will be combining field trips with traditional Camp 7 activities, providing more variety and a stronger awareness of what the Grand Valley has to offer.

In addition, a survey will be sent discussing potential changes to the Overnight Program. Your input is greatly appreciated!

"(My child) felt so included and supported by staff...The range of activities is phenomenal...I would strongly recommend Camp 7!"

- Crystal
