Volume #1 Published Monthly

From the President's Desk:

We will be having another club work detail on Saturday, October 15th from 9:00 to 12:00. We've really been getting a lot done at these events, and we have some fun too. Try to get out to help us if you can. Our chore list for this month includes, some brush and tree trimming, weed trimming, painting the roof on pavilion #3, and whatever else we can find. As usual we'll be giving door prizes to participants by random draw. Bring tools that may be helpful for the above tasks and wear old clothes.

We are working on the calendar for 2017. If you have dates to add or pictures that would look nice, please get them to me as soon as possible. We need to have these ready for printing by the second week of November.

Please do not shoot broadheads on the targets in the walk-through archery course. We just replaced the target bags and broadheads of any type destroy them quickly. Practice points only.

If you shop online use smile.amazon.com/ch/23-2047305 to get to Amazon. You'll get the same great prices, and fast service you always get from Amazon, but the club gets 0.5% of the purchase price on eligible items. You can still use Prime if you have it too. We're not getting rich off this, but every penny counts, and if more members used it...

Howard Thompson

Membership Renewal:

In the next few weeks you will be receiving your membership renewals for 2017. You will notice that there has been a dues increase from Nationals. Please let me know if you turned 65 years old this year, and if you have been a member for at least ten years. If you are not sure how long you have been a member, I'll be glad to check for you. We do offer a discount, but I need to know to apply it. And if you have moved within the last year, please let me know as soon as possible, I may need to change your address on your renewal. Questions? The best way to reach me is by email at membership@yorkiwl.org or by phone or text at 717/818-2764 after 5pm.

Lisa Fuhrman

Trout Committee:

On Sept. 28th we received new trout at the raceway. They are doing pretty good. We lost about 60 so far. The water was low and warm. Now that it is cooling off, we will be in better shape.

Juniors:

Halloween Party. The annual Halloween party will be Friday, October 21 from 6:00 to 8:00 PM. We are planning some fun activities; so put on a scary costume and stop by for a spooky good time! Feel free to bring a snack or dessert to share. If you want to help decorate for the party we will be decorating at 7:00 on October 20.

Also, we will be working on our annual Juniors activities newsletter that we use for our Juniors renewals and to recruit new Junior members so if you have any pictures from activities please send them to juniors@yorkiwa.org. All pictures sent will also be considered for the Clubs Calendar.

This past month the Juniors attended a Youth Field Day at Mason Dixon outfitters with over 30 kids in attendance. The kids had the opportunity to teach the attending youth about Chapter #67's participation in the Save our Streams program. They also were able to teach them about the trout of Pennsylvania and how stocking streams is done using some displays provided by Larry and Holly Morris.

The annual Juniors Fishing trip was another great time. All the kids were able to catch their limit within a few hours of arriving at Limestone Spring Fishing Preserve. After fishing we attended the annual National Hunting And Fishing Day at Middle Creek Wildlife Management Area. We got to taste some fine pit-roasted venison from our friends at Red Rose Izaak Walton. Juniors also got to try their hands at archery, shooting and pelt identification. I hope that there were a few really nice trout dinners that evening.

Firearms' Training & Education:

Considering the purchase of your first firearm? Thinking home or personal defense?

We will be offering an informal introduction to handguns class, on Sunday October 16th at 1 pm in the clubhouse. Presented by Jack McMillin, a career instructor with Civilian, Law enforcement and military training experience, this will be a classroom only, hands on intro of the various types of firearms one could consider for personal and home defense. There will be a variety of non-functioning firearms available for the student to handle. There will be no live fire at all. Jack will also offer some simple strategies for awareness and a general defensive posture. The cost is \$20 per person, or \$30 for a family. Families with children who may come in contact with firearms in the home are encouraged to attend. If you are interested, please contact me, Gary Swope at ghswope@gmail.com 717-968-2544.
