MULLIKEN DISTRICT LIBRARY

Mulliken District Library July and August Newsletter

135 Main St. Mulliken, MI 48861

Happy Summer!

Summer reading is well on its way and the kids are loving it. In fact, not only are the kids loving it, but so are the teens and adults. We have fun prizes for all ages, and they are age appropriate. For the teens we have playing cards, music themed socks, even ear buds with a built in phone stand. You won't ever lose your headphones again with this fun prize. For the adults we have can coolers, mouse pads and a card holder that you attach to the back of your phone. Who doesn't need one of those?

We will be closed July 4th – 6th in observance of Independence Day.

Joel Tacey will be here

This year's "community garden" is a little different. We would like to invite everyone to bring any extra fruit and veggies you may have to the library. We will then set them out front for the community to take as they wish.

MICHIGAN ACTIVITY PASS

EXPLORE
FOR FREE!

Going on Vacation? Check this out before you go!

Do you have a recreational pass to get into state parks? No? How about a Library card? That's right, all you need is a library card and you can get into state parks for free! Go to our website and click on library resources, and you will find a link to the Michigan Activity Pass website. How cool is that? All you need is your library card number. No worries if you don't know your card number, just give us a call. The Michigan Activity Pass is not strictly for state parks, but you can also enjoy Museums, Planetariums, Nature Centers, Transportation and so much more. We have the MAP Lower and Upper Mitten Brochures on our website. Check it out before summer is over.

We are an official cooling center. For those hot summer days you can come in and cool off with a good book. We allow pets, as long as they are potty trained and on a leash. We can play a family friendly movie while you cool off, as well.

Recycling Hours:
