The problem isn't that Johnny can't read. The problem isn't even that Johnny can't think. The problem is that Johnny doesn't know what thinking is; he confuses it with feeling.

POLITICAL EDUCATION REPORT —Waskah Whelan

Report from  **Judicial Watch** *The Verdict Publication...*

Judicial Watch reports **353 US Counties in 29 states with Voter Registrations Rates over 100%**. This equals 1.8 million more registered voters than eligible voting-age citizens.

Judicial Watch has warned these states that they are not in compliance with the *National Voter Registration Act*, which requires states to make reasonable efforts to clean their voter rolls of inactive and ineligible registrations.

States including the number of counties where voter registration rates exceed 100% of eligible population!

Alabama – 25	Maine – 7	Oregon – 9
Alaska - entire state	Maryland – 13	Rhode Island – 4
Arizona – 2	Massachusetts – 3	South Carolina – 1
Arkansas – 1	Michigan – 68	South Dakota – 17
Colorado - 42	Missouri – 1	Tennessee – 36
Florida - 8	Montana – 5	Texas – 33
Georgia – 23	Nebraska – 5	Vermont – entire state
Indiana – 10	Nevada – 3	Virginia – 24
Iowa – 7	New Jersey – 16	Washington – 14
Kansas - 1	New Mexico – 2	West Virginia – 5
New York - 5		

California did not post adequate data to determine their voter registration rates.

13 other states + D.C. did not post adequate data or posted no data at all showing their voter registration rates.

Colorado leads the nation in % of counties with more than 100% of eligible voters registered to vote. Judicial Watch has filed a lawsuit in federal court to force Colorado to clean up its voter rolls. In addition, Judicial Watch has successfully sued for voter roll clean-up in the states of Ohio, California, Kentucky, Illinois, Pennsylvania and North Carolina.

Free and fair elections depend on maintaining clean voter rolls. Judicial Watch has been a national leader for cleaning up elections. www.JudicialWatch.org

Note: I would think it mostly impossible to legally register 100% of all persons aged 18 and over in any county. When San Diego County had a registration rate of 117% in 2020, it showed the county failed greatly in meeting their voter list maintenance obligations and gave San Diego one of the highest registration rates in the country.

PROGRAMS — Grace Ventittelli-Meyers

Mark Meuser will be our May 11th afternoon speaker. He will be addressing "Getting Back to the basics of winning in California"

Mark is a native Californian, an attorney and a small business owner, committed to fighting for honest and fair elections. He has been a member of the Dhillon Law Group, Inc since 2017 and he is admitted to practice in California and litigates in federal courts around the nation. His practice areas are Campaign and Election Law, Civil Rights and Civil Liberties, First Amendment and Political Law.

They have filed a lawsuits against Nancy Pelosi and Kamala Harris in their official capacity for preventing people from exercising their First Amendment rights on the Capitol grounds.

He was one of the attorneys on the pleadings in the case of South Bay v. Newsom where the Court entered an injunction stopping the governor from enforcing a complete ban on in-person church services.

In addition, he was one of the attorneys on the pleadings in the case of Gish v. Newsom in which the Supreme Court ruled that the District Court judge and the Ninth Circuit both got it wrong when they denied their request for an injunction that Gavin Newsom, the County of San Bernardino and Riverside could not ban churches from meeting. The District Court judge denied our injunction. Today the Supreme Court told the District judge he got it all wrong.

WAYS AND MEANS — Diane Randolph

CHAPLAIN—Ginny Wisley

*"Blessed are they who did not see & believed."
John 20:29b*

This is Holy Week. For the Jewish Faith: Passover. For Christians: Palm Sunday, Maundy Thursday, Good Friday, & Easter. For all: shootings in Colorado, Covid, Candy Land tier openings, hate crimes, mass stabbings in Canada, a stuck ship in a canal across the world that will affect our economy & toilet paper (again), a trial that is already decided in the court of public opinion with no winner when it's over. Confusion on all sides.

Holy Week. How are we making it Holy? We need to step back, start over. Every day. I have a dear friend, who, like me, she's disillusioned with almost everything right now, & I keep telling her, step back, take a breath, it will be alright. Lesson teaching, lesson to learn.

Holy Week. Need to repeat a phrase I painted: Always We Begin Again. Every Day. Wake up. Begin again.

Holy Week. Step back, breathe, begin again, resurrect within.

HE IS RISEN INDEED.

MEMBERSHIP MOMENT

Spring has sprung at RWCNC as Republican Women came out of ZOOM hibernation and joined together in person this month. It was a wonderful day, seeing familiar friends and feeling the power of being and working together for conservative causes. Fresh new energy was in the room and I see bright and wonderful accomplishments ahead for us in 2021!

MEMBERS MAKING A DIFFERENCE: (left to right) Betty Landen, Sara Anderson, me, Grace Ventitelli-Meyers and Janice Reiderer, met for breakfast at Fig Tree cafe in Liberty Station and outreach for RWCNC membership awareness at the Reopen San Diego event at the County Administration building on Saturday March 13.

The best part of the day for me was getting to know these amazing ladies a bit over a good cup of coffee. We passed out brochures and collected 10 new email subscribers and aspiring future members. Thank you ladies for your friendship and club support!

CALL TO ACTION: I'm looking for events to represent our club at anywhere in the county this year. Craft shows, political events, networking groups, street fairs, etc. If you know of an event we could attend, please send me the info and I'll arrange a presence for our club.

A big THANK YOU, to all members who invited a guest or brought a friend or multiple friends to lunch in March! Thousands of women in San Diego County are looking for a place to make a difference and we are a great place to make new friends and do just that. Together we are unstoppable.

Membership total: 117 full members, 6 associate members

Easter Shareable Meme: An easy way to raise awareness of our club. Emailed to all members the last week of March. To use, Open your phone camera and hold it over the QR code in the bottom right corner of the meme. A message will pop up on your phone asking if you want to go to the site. Touch the message and it takes you to the front page of our website.

As members, you will receive an email with the Meme attachment about a week before each Holiday we are marking. Consider copy/paste sharing them in a greeting or social media post to help raise RWCNC club awareness.
