Welcome to the 2021 NEMO Fair

This is our 74th Annual NEMO Fair. On behalf of all the NEMO Board of Directors, I would like to welcome everyone to the fair this year. We would like to thank the City of Kirksville, Adair County, local businesses, and all of the volunteers. Without your continued support, it would not be possible to have the great success we have each year.

We have a great line-up this year with three nights of music entertainment. Again this year, you can enjoy a full rodeo and truck & tractor pull. New to the 2021 NEMO Fair is the P.B.J. Happee Day Shows Carnival. We encourage you to support our area 4-H and FFA youth by attending the daily livestock shows and browsing their exhibits showcased in the 4-H and FFA building. Please make your way to the Multipurpose building to visit with vendors and cool off.

The Fair Board thanks each and every person who attends and supports the Fair and our outstanding youth. If anyone would like to get more involved in some way with the fair, please let us know.

Have a fun and safe week!

Jason Wood, President
NEMO Fair Board

Peterson Brothers

Tuesday, July 20, 2021

The Peterson Farm Bros are made up of Greg (29), Nathan (26), and Kendal (24) Peterson. We are brothers who farm together with our families (pictured above) near Assaria, KS. We produce entertaining and educational videos on our YouTube channel and post farming and video

updates to our social media pages (Facebook, Twitter, Instagram, and Snapchat). Ever since we began producing content, we have continued to realize a need to inform people about what we do in farming and in agriculture as a whole. There are many misconceptions about modern day farmers and we feel it is our calling to help correct some of those misconceptions. Aside from our production on social media, we travel around the country to speak on advocating for agriculture. We also blog about misunderstood topics in agriculture and open up our farm for tours, weddings, and overnight stays. Through all of this we hope to educate the general public on where their food comes from and what a real Midwest family farm looks like!

Mike Walker

Tuesday, July 20, 2021

Mike was inducted into the International Rock-a-Billy Hall of Fame on December 13, 2013 in Jackson, TN.

Dreamworks Recording Artist and Jackson Native, MIKE WALKER, was inducted into the International Rock-A-Billy Hall of Fame on December 13, 2013. Walkers Rock-A-Billy roots land him side by side with Carl Perkins, Elvis Presley, Johnny Cash, Jerry Lee Lewis and Roy Orbison. Mike Walker a Jackson, Tennessee native will be the newest member of the International Rock-A-Billy Hall of Fame as of December 13, 2013.

Mike's first record deal was landed in Jackson with a local label called "Rock-A-Billy Records" back in 1998. Two years later his vocal ability landed him a major record deal with "DreamWorks Nashville Records". His first radio hit called "Honey Do" marked Walker as a bona fide country star. The video for "Honey Do" still

makes appearances on GAC and CMT. Mike is now doing shows along side of country music royalty, Mickey Gilley and Ronnie McDowell. Walker resides in Branson, Missouri where he performs April through the first week of December at the Hamner Variety Theater.

Jon Langston

Friday, July 23, 2021

Jon Langston grew up in Loganville, GA as the oldest of three boys, listening to music by his heroes Alan Jackson and the Eagles. He grew up playing football, eventually earning a football scholarship to college. Jon always thought football would be a part of his life, but after his sixth concussion left him blind for fifteen minutes, his Division 1 football career ended abruptly. Jon

picked up his guitar which he hadn't touched since the eighth grade and re-taught himself how to play. Playing open mic nights and working on his songwriting eventually led to the 2013 release of "Forever Girl," the first song he ever wrote by himself. That release kicked off his music career which has culminated in 15 sold out shows and over 500 million career streams. Jon opened for Luke Bryan on his Farm Tour in 2017, which was a full circle moment for Jon who had been in the crowd as a spectator of the Farm Tour only a few years before in Athens, GA. He was invited to perform on the tour again in 2018 and joined Luke in support of his Sunset Repeat Tour in 2019. Jon signed a publishing deal with Sony ATV, management with KP Entertainment, and is the first artist signed under Luke Bryan's new Label 32 Bridge Entertainment with EMI Records Nashville. On his new label home, Jon released his major label debut single, "When It Comes To Loving You," which reached No. 1 on the all-genre iTunes Chart. Jon released his highly-anticipated EP, Now You Know, on October 25. The EP features six original songs all written by Jon including the project's lead single, "Now You Know," currently playing at country radio. Jon unveiled his new song, "Drinks," which has been a staple in his live show over the past year.

Jamey Johnson

Saturday, July 24, 2021

Eleven-time Grammy-nominated singer-songwriter Jamey Johnson is “one of the greatest country singers of our time,” according to the Washington Post. He is one of only a few people in the history of country music to win two Song of the Year Awards from both the CMA and ACMs.

His 2008 album, *That Lonesome Song*, was certified platinum for 1 million in sales, and his 2010 ambitious double album, *The Guitar Song*, received a gold certification.

In addition, he won two Song of the Year Trophies, for “Give It Away” and “In Color,” both from the Academy of Country Music and the Country Music Association. He has received tremendous praise from *The New York Times*, *Rolling Stone*, *The Wall Street Journal* and other publications, many of which have hailed his albums as masterpieces.

In 2012, the Alabama native released his fifth studio album, a tribute project to late songwriter Hank Cochran. The Grammy-nominated *Living for a Song: A Tribute to Hank Cochran* paired him with Willie Nelson, Alison Krauss, Emmylou Harris, Ray Price, Elvis Costello, George Strait, Vince Gill and Merle Haggard.

In 2013, the Nashville Scene’s 13th annual Country Music Critics’ Poll named it the year’s best album. (Two years earlier, the same poll named Johnson’s *The Guitar Song* as the year’s best album, and Johnson himself as best male vocalist, best songwriter and artist of the year.)

Special Awards

The Austin VanHoutan MEMORIAL AWARD

Austin VanHoutan was a member of Hazel Creek 4-H. Austin was tragically killed in a car accident in 2016. Austin lived the cowboy life and surrounded himself with agriculture. He was named Ag kid of the week by KTVO. Austin held several offices of Hazel Creek 4-H Club, including President. Austin's heart showed in all he did. He worked to do the best with what he had through hard work and determination. He met life's obstacles with humor and humility. His infectious smile and kind personality touched anyone he met.

The annual Austin VanHoutan Memorial Award is sponsored by Hazel Creek 4-H Club. Eligible nominees must be an Adair County 4-H member in good standing. A plaque with the winner's name will be presented to the NEMO Fair Board. The winner will receive a certificate and \$50 cash award.

The Hazel Creek 4-H Club will make nominations for this award. Recipients will be judged on sportsmanship, courtesy, kindness, positive attitude and friendliness. The person should show an enthusiasm for life with a helpful personality and willing to mentor others. They should embody the principals of Learning by Doing and Making the Best Better. This individual may not have been awarded a blue ribbon for his/her project, but was willing to put heart into all they do. The person should be willing to learn lessons from failures and continue to strive to do better.

Rodney Scott MEMORIAL 4-H AWARD

This annual award is made possible by the family of the late Rodney Scott. Rodney was a past member of the Novinger Town and Country 4-H Club, as well as a club leader and a member of the Northeast Missouri Fair Board. Rodney enjoyed working with the young and old at Fair time.

ELIGIBILITY: Any bona fide Adair County 4-H member who exhibits at the NEMO Fair.

RECIPIENTS WILL BE JUDGED ON: Showmanship: 25 points. Courtesy: willing to help others: 50 points. Enthusiasm: pleasant attitude: 25 points. Total: 100 points.

Roy E. Jackson MEMORIAL ADAIR CO. 4-H AWARD

General Livestock Rules & Regulations

1. **Entries must be entered online at nemo.fairwire.com by July 6, 2021. No entries will be accepted after this date. The NEMO Fair Association states that a Season Pass or Day Pass is required for admittance to the fairgrounds.**
2. All 4-H and FFA classes at the NEMO Fair will follow guidelines set forth by the Missouri 4-H Youth Development Program. For a complete listing of all rules and regulations please see the 4-H and FFA section in the 2021 Missouri State Fair Catalog. Some rules may be superseded by rules in this book.
3. Articles or animals will not be placed on exhibition unless entered in the Superintendent's Book and entry tag (if required) attached.
4. **All entries are to be in place at times and dates specified in schedule.**
5. **The superintendent in each department will be responsible for assigning space and arranging exhibits, and their directions must be followed. If you are in the wrong area/pen you must move and must clean the pen.**
6. Exhibitors must accompany their animal/exhibit to the Fair, care for them, and exhibit them. If this regulation cannot be followed, a letter of circumstance must be submitted to the 4-H July Council Meeting. Superintendents may permit another 4-H/ FFA member to show an animal in case of illness or physical handicap.
7. Uncontrollable animals or animals which the exhibitor cannot handle alone may be disqualified by the Superintendent and required to leave the ring and/or grounds.
8. In cases where a member has more than one animal in a class another 4-H/FFA exhibitor must show the second animal.
9. Minimal assistance is allowed by another 4-H/FFA exhibitor at the discretion of the Superintendent.
10. Showmanship classes will run oldest age category to youngest. There will be no master showmanship classes; exhibitors will not be required to advance to next age category after winning in their category. (ages as of 1/1/2021; 14 and over, 11-13, and 8-10 for beef, sheep, swine, poultry and goat)
11. Unless otherwise stated, no exhibitor will be allowed more than two (2) entries in an individual class and one (1) entry in a pen class in the beef, sheep, swine, poultry, rabbit, bucket calf, goat departments. Each exhibitor will be limited to four steers regardless of breed.
12. Each exhibit shall be owned by the exhibitor and shall represent work accomplished in a project in which the exhibitor was enrolled during the past year. A written statement by the leader, stating that the exhibit is bona fide work, must accompany each exhibit, if requested by the Superintendent.
13. No red ribbon entries for championship.
14. An Adair County 4-H & FFA Show will be held as well as a NEMO Fair 4-H & FFA Show.
15. Believing it is in the best interest of all 4-H/FFA exhibitors to maintain a reputation of integrity and to present a wholesome and progressive image, 4-H and FFA members are expected to conduct themselves according to the best traditions of their respective organizations. Inappropriate conduct (drinking, stealing, vandalism, and indiscreet behavior) **WILL NOT BE TOLERATED**. Any violation of this rule will be grounds for disqualifying the exhibitor and/or livestock involved. Further, any premium monies earned will be forfeited.
16. All non-exhibitors will be expected to vacate barns by 12 midnight each evening.
17. State Health Regulations will apply to all livestock entries, unless specified otherwise.
18. Exhibitors are not permitted to show the same breed in both 4-H and FFA. For example, if an exhibitor shows Chester White hogs in 4-H, he/she cannot show Chester White hogs in FFA, or if an exhibitor shows market steers in FFA, he/she cannot show market steers in 4-H. Animals are designated (4-H or FFA) at the time of entry and may not be switched to another division after entries have been received prior to the Fair.
19. The Adair County Fair states that any exhibitor (4-H/FFA) may only show in one county fair as "in County" in one calendar year. If violated, the exhibitor will accept the punishment set forth by the Joint Fair Committee.
20. 4-H members may exhibit only in projects in which they are enrolled in the current 4-H year.
21. **All exhibitors must clean their pens before they will be released by Superintendent. If pens are not cleaned, NO MONITORY awards will be given until the pen is clean and superintendents can deny entry into the fair the following year.**
22. **Missouri Show Me Quality Assurance (MSMQA): By June 1, 2021, all 4-H exhibitors enrolled in food animal projects including beef, sheep, swine, dairy cattle, meat and dairy goats, rabbits, and poultry must complete the appropriate level of MSMQA certification to be considered an exhibitor in good standing in that project.**
23. **If the fairgrounds office doesn't have a copy of your SMQA card you are not allowed to show.**
24. **Treatment of animals (livestock): Failure to properly care for livestock will be grounds for dismissal at superintendent's discretion. No**

medication can be administered unless by veterinarian. Sick animals will be asked to leave.

25. If you are in the same immediate family and you only have 1 animal per child you will be assigned same pen as sex of animal allows.
- 26 **NO FITTERS RULE:** All animals are to be groomed by the 4-H or FFA exhibitor with assistance from immediate family or other 4-H or FFA exhibitors only. (Immediate family is defined as father, mother, brothers, sisters, step-parents, step-siblings, grandparents, aunts, uncles and legal guardians of the exhibitor.) All animals will be groomed in the barns or immediately adjacent to the barns. If a Fitter or a person other than specified in above statement helps prepare the animal for the show ring in any manner, the child's animal and the child will be **DISQUALIFIED** and asked to leave. Fitter will be asked to leave.
27. All Exhibitors must display a stall card that includes exhibitor name and club name.

Judging - Competent judges have been secured for all departments.

1. No one shall act as judge for any class in which he or she is exhibiting.
2. A judge, at his/her discretion may withhold any or all awards if an article or animal in his/her judgement is not worthy of award.
3. Decision of judges shall be final subject only to protest for good reason and under the procedure hereinafter described under the heading "Protest".
4. Anyone attempting to interfere with the judges during the adjudication, or publicly expressing disapproval in the area or grounds of decision of the judges, shall forfeit any or all awards and be excluded from further competition.

Protest - ALL PROTESTS MUST BE MADE IN WRITING to the Joint Review Board. The protest should include the reason for the alleged ineligibility and the rule governing the case must be noted. All protests must be signed. Such protest must be filed with a Joint Review Committee by or before 8 a.m. the day following the date the award is made.

Liabilities of Exhibitors

1. In no event shall University of Missouri Extension, Adair County University Extension Council, University Extension Staff or Adair County 4-H Council, its officers, directors or members be held responsible for any loss or damage to the property of person or exhibitor or other persons while on the fairgrounds whether said loss or damage shall arise from accident or any cause whatsoever.
2. Entry form will serve as agreement that you understand and accept responsibility for

following all guidelines and understand that failure to do so will result in dismissal from event or activity.

Release of Exhibits - With the consent of the division superintendent, exhibits may be released only in the event of an extreme emergency, or for the purpose of attending a conflicting show by showing the proper papers. Failure to comply will mean automatic forfeiture of all awards due to exhibitor.

4-H & FFA **BUILDING EXHIBITS**

Superintendents: Gayla McHenry, 4-H
Kameron McGinnis, 4-H

Entry Date: Monday, July 19 (see
schedule on next page for
times)

General Rules

1. **Each exhibitor shall be required to wear the official 4-H/FFA t-shirt of the Fair and their assigned exhibitor number at the time of all judging events.**
2. Items made by 4-H members should reflect the skills they have learned in their 4-H project during the current program year, the needs and interests of the 4-H'er, and quality workmanship. Use the 4-H project literature and the "Clover" for exhibit ideas and criteria. "4-H is an out-of-school education program. Consequently, articles made in school under the supervision of teachers and on which students receive school credit do not qualify as 4-H project work. This is a duplication of credit for single effort and to a large extent, prevents 4-H from achieving its full objectives."
3. **Exhibits are displayed at the risk of the individual 4-H/FFA member. The 4-H staff, FFA staff, University Extension Council or staff and NEMO Fairboard are not responsible for loss or damage to items.**
4. Only Adair County 4-H and FFA exhibitors may advance to the State Fair. Exhibits must be of blue ribbon quality to advance to the State Fair or to receive awards. Members are limited to two exhibits in the State Fair 4-H Building.
5. The number of exhibits per class that Adair County may enter is printed in bracketed numbers in the class listing. Those exhibits from outside Adair County will have had the opportunity for state fair evaluation in the home county of the exhibitor.
6. 4-H members may exhibit only in projects in which they are enrolled in the current 4-H year. **Items exhibited must be made in the current year and must be the work of the 4-H member submitting the exhibit. Scrapbooks made in projects other than class 315 will be displayed in the Library at the State Fair. Notebooks, recipes, binders should not accompany any exhibit.**
7. A member may enter up to three exhibit items per project. **Each item must be registered at nemo.fairwire.com. Registration Deadline is July 6th.**
8. The following items will be accepted/displayed at the Missouri State Fair in the Library which

allows fairgoers to touch and examine the items: notebooks (three ring binders only) with county, region and youth name on spine, posters (flat only; do not fasten items to the poster), see additional poster rules in #9, file card systems. These items will be accepted from any project. Youths who exhibit notebooks, posters, or file card systems should understand that their exhibit will be handled.

9. Where the exhibit list states "any item made", the 4-H member may display any item made in that project. This includes notebooks, file cards, photo displays, posters or educational displays. Regardless of project, the following dimensions must be used. Items which do not comply with size or other specifications will not receive a ribbon. Do not attach any items to an exhibit such as notebooks, pictures, etc.

Posters - No larger than 14" X 22", flat only, do not fasten items to the poster, except photos and colored paper.

Photo Display - Full State Fair guidelines and definitions are provided at the following link <http://4h.missouri.edu/go/events/statefair/photoguidelines.pdf>.

- * All photos should be mounted on a 8" x 10" mat board, photographers may mount the photograph to the mat board using an acceptable adhesive designed for permanent mounting of photographs.
- * A color single window mat (sometimes referred to as a frame) is acceptable, but not required.
- * Photos can be mounted either horizontally or vertically with no writing or labels on the mat board.
- * Photo stories must consist of no more than 4 photographs.
- * To protect exhibits from dust and moisture, photos must be placed in a clear photo bag available at the Adair County Extension Center. Do not put in a bag that's folded over, they are difficult to fit in the state fair display.
- * Exhibits not meeting these guidelines will not be judged, displayed, or receive ribbons.
- * Photo Editing - Photo enhancing is permitted. Photo Altering is not permitted. Please see full state fair guidelines for definitions and examples of each.

Educational Display - A new product is now available to make educational displays easier to construct. The size is 18 inches in height, 6 inches in depth and 12 inches in width. When it opens and stands it has 6 inch sides and a 12 inch back. Must include three-dimensional items and stand-alone. **(Posters with items taped to them do not qualify as an educational display. Science fair display boards are too large.)**

Entomology or Geology Display Boxes - Box must be exactly no more than 18" long X 24" wide

and 3 1/2" deep to fit in display racks at the Missouri State Fair. Plexiglas or plastic covers are preferred. No handles or knobs. Boxes are displayed in upright racks. For MSF, only 1 box per exhibitor will be displayed.

Working Models - These exhibits should show how things actually work (cutaway-sections of motors or computers) or can be used to help people identify parts such as parts of a motor or computer. Many times these exhibits are considered "hands-on" and can be handled by visitors. Working models should require floor space no larger than 14" x 22".

Decorated Cakes - No real cakes. Forms or pans are required. Must only use Royal Icing, Rolled Fondant or Commercial Product (i.e. DAPP) that will harden and preserve the decorated cake. Cakes must not exceed 13" in height or at the base (includes board).

* No full books.

* Size not to exceed 12" x 12".

* All pages must be in clear protective sleeve or clear zipper bag. Do not frame.

10. Perishable items such as food, vegetables, crops, and home grown items will not be returned after the Missouri State Fair. Edible vegetables will be donated to a charitable organization.
11. The assigned point value must be used unless approved by the 4-H Superintendent.
12. **No early removal or check-out of exhibits is permitted. Exhibits which are removed before release times will not be awarded ribbons.**
13. All dresses and similar items to be exhibited on hangers must be entered on hangers.
14. **Shooting Sports exhibits should contain no live ammunition and arrow points should be removed.**
15. If a member is unable to exhibit his/her project, that member must have requested, in writing, permission from the 4-H & FFA Fair Committee to exhibit in absentia by June 25. Exhibits to be entered must be accompanied by written approval from 4-H & FFA Fair Committee.
16. Large/heavy objects, projects with glass, etc., may not be able to be shipped to the Missouri State Fair. Items too large for display in the 4-H Building will not be accepted for exhibit at the Missouri State Fair, but one photo of the item, no larger than 5 x 7, will be accepted. Photos are not a substitute for bringing or mailing exhibits.
17. Conference Judging: All 4-H exhibitors will confer with the judge in that project area while

the judge examines the project. Entry and judging will take place simultaneously from 8:30 a.m. - 12:30 p.m. on Monday, July 19 in the 4-H & FFA Building. Please follow the schedule below. Exhibitors will pick up T-shirts at the NEMO Fair office in the Multi-Purpose building. Enter 4-H building through the North Doors for Judging. Entry is allowed up to 15 minutes prior to a club's scheduled judging time. The building will close at 1:00 p.m. or as soon as judging is completed, and will remain closed until all State Fair items and awards have been selected and project displays finalized. All exhibits (including State Fair items) will be released Sunday, July 25, between 7 am-9 am. State Fair & ribbon winners should be ready to have a picture taken on Wednesday (time will be posted in building.). All exhibits not picked up by 9 am will be thrown in the trash.

18. Exhibit Tags must be picked up at the NEMO Fair Office and **must be filled out and attached to exhibit prior to entering building on judging day.**

FFA DIVISION

This section provides an opportunity for the public to develop an appreciation of this important phase of agricultural education and FFA programs. Also, it provides a means of giving recognition for accomplishments in this area and furnishes opportunities for exchanging ideas. **Online registration at nemo.fairwire.com.**

Exhibits must be checked in Monday, July 19. All exhibits will be released on Saturday, July 24, after 3 pm following the livestock sale. Any items not picked up are left at exhibitor's risk.

All entries must have been grown, produced by the exhibitor as a part of his or her supervised occupational experience program. All samples must have been produced during the year specified for the class. The exhibitor shall be keeping records of such entries in the approved Missouri Farm Business Record Book and reporting such enterprises on the departmental VA-3 (Report of the Students SAE Program) and have on file validating forms with the school's departmental records.

Only exhibits of high quality and purity will be judged as eligible for premiums. Only blue ribbon exhibits can be selected for a trophy or award.

FFA COUNTRY CURED HAMS EXHIBITS

1. Hams in this class must consist of hams that have been cured country style.
2. Ham weights accepted from 10 pounds to 22 pounds, inclusive.
3. Top FFA ham overall (Adair County exhibitors only) will be eligible to sell at the livestock sale.
4. The number of entries shall not exceed 2 per person.
5. Hams in this class will be divided by weight after they are entered into the show by the Superintendent to equalize class size.
6. Commercial hams in this class will consist of whole hams with bone in and may not be cut or sliced. Hams shall be cured mildly and may or may not be tenderized. This class is considered

- to consist principally of pumped hams.
7. To maximize the member's learning experience, members showing in youth classes are encouraged to do their own project work. The parent and child should decide how much the member is able to do on their own, but having someone else totally do the work for the member is inappropriate.
8. All hams in this class must be USDA inspected either at the origin or at the end of processing. Verification of inspection should be available upon request.

5. The points awarded a project are based upon the amount and difficulty of the work involved, difficulty and cost of moving, and the cost of materials. The Superintendent may award/adjust points as it appears necessary in order to keep the points in balance.
6. Projects built to be used as one unit should be entered as one entry and not entered separately. (Ex.: Trailer ramps should not be entered separately from the trailer if the trailer is being exhibited.)

Exhibits must be checked in Monday, July 19 by noon. All exhibits will be released on Saturday, July 24, after 3 pm. Any items not picked up are left at exhibitor's risk.
