## NOTES BY MS. WITTAK

### Flood in FCS Room Averted

A copper pipe in the heat register froze and burst – spurting like a fountain and flooding the room with about 100 gallons of water! A big thank you to Mr. Chabot and the Culinary Arts students who handled the emergency like little troopers! Scott and Kourtney came to the rescue with the shop vacuum/mops and about 20 towels to clean up the water! The timing of the fountain of water from the break was a gift to all of us. If it would have happened at night with no one around – the flood would have spread to the small gym and beyond! Thanks again to the staff and students who helped with this emergency!

### FCCLA in Medicine Lake

11 Students attended the FCCLA Leadership Summit in Medicine Lake on November 15<sup>th</sup>. Students attended a variety of workshops, toured the Refuge, Sheridan Electric and other businesses on main street. They focused on entrepreneurship and leadership throughout the day. These students represented Scobey Schools well and participated in leadership activities to use in the future.

### Art Club and FCCLA Vendor Show

The Vendor Show was a success, having 14 vendors show up and share their talents and wares! The meal was chili, cinnamon rolls and Krumkake (made by the Culinary Arts Class) and was enjoyed by all in attendance. Thanks to those Vendors who took the time to prepare and attend the event. Thanks for sharing at the school to show students what small businesses and individuals can do to become an entrepreneur.

### Culinary Arts

Students have been blessed with having Jim Sanden be a guest in class to teach them her recipe for Chicken Fried Rice and Beef and Broccoli Stir Fry. The students thoroughly enjoyed the lesson and appreciated Jim's expertise and joy of cooking and training them. We were also treated to Larry and Karen Wahl sharing a Norwegian delicacy of Krumkake. Students made over 150 to sell on plates and for the Chili, Cinnamon Roll and Krumkake plate for the Vendor Show. Thanks to our guest for sharing their talents with the class! Sandbakkels and Rosettes for the next two weeks to prepare for our Holiday Season!
