3. Also please submit the form(s) to the address below at least one week prior to each meeting that you would like to display your artwork.

I understand that I am exhibiting the following artwork at my own risk. The artwork won't be hung; it will be displayed on the window sills and the narrow ledge on the wall of the classroom where we hold our meetings. Due to safety reasons, no artwork framed with GLASS will be accepted. Unframed art should be attached to a stiff backing so that it will stand on its own.
