## FRIENDSHIP

### Creative Arts Poetry Group

A person who is alone is very lonely.  
You don't live in a world by yourself.  
You can't be isolated; you need somebody.  
You don't have to agree with your friends.  
There's a song, People Need People;  
being alone is just not a good way to be.  
When you can share with someone the good  
and the bad times, you're the happiest people  
In the world-it makes the bad better.  
A friend is...loyalty  
A friend in need is a friend indeed.  
A friend is....having connection with another  
person, tenderness, and a loving embrace,  
Everybody needs a friend.
