

## VOB Film Festival August 23rd – September 1st, 2019

Putnam County's Independent Film Festival

Dear Sponsor:

The VOB Film Festival is now in its eighth year and is excited to continue growing and sharing the message of the arts and independent film throughout Putnam County!

This schedule for 2019 is one that will feature many new ideas and performances. We will once again continue to show independent films all year long by having independent film nights in the Spring and October. We are expanding our film festival to a full week at the end of August and will be attempting to feature at least 80 high quality, independent films from around the world. Films range from short films (less than 15 minutes) to feature length films of 90-120 minutes and represent all genres from animated to feature length dramas. They are crafted by independent film makers who are working toward honing their skills and talent. Many have won awards at various festivals around the world, while others are shown in our festival as local and even world premieres.

This year we will be introducing three new events to the festival, which will expand our base and appeal to film lovers everywhere!

*Our Festival in 2019* will open at Arts on the Lake with our renewed Dinner and a Movie. We will also continue with our outstanding Silent Film series. If you have never been to this type of event, it is a must see and will be a great sponsorship opportunity. We are excited to continue to bring this to Putnam County.

*In October, we will bring a two day festival of Horror!* Last year we had a successful event at Carmel Cinema and this year we will partner with other Arts organizations to show these films throughout Putnam County.

We will also be putting together a committee to create a Christmas event. This would be our first time having a holiday themed event and we are looking forward to serving the community.

These three new events will continue to help us expand and provide a new, fresh and invigorating festival for our many attendees.

In 2018, because of sponsorship support, we were able to purchase lighting and sound equipment. The ability to self-produce these events without hiring technical professionals has kept our costs extremely low. Without you, this would not be possible. In 2019, we are looking to expand our purchases for microphones, additional theatrical lighting and a second projector. This will allow us to do interviews and stream them over the web. It will also allow us to show films in two locations simultaneously! Last year we had dozens of film makers come to Putnam and we need to be able to record their interviews and interactions to truly spread the word about what we are doing!

We are once again excited to bring these events to Putnam County, but can only do this event with your support. Our board is all-volunteer and we are a not-for-profit 501( c ) 3. Our week long festival will once again be a multi-location event and will screen films in Brewster/Southeast, Carmel and Kent. Our 2018 event was our biggest ever and had over 850 attendees that came from many different states, as well as, locals from Putnam and neighboring counties. We believe our new events will help increase our attendance and are also partnering our marketing with other arts groups to help spread the word and your sponsorship further.

The Festival puts together a film guide in which we hope you can take out an ad. Your generosity makes this event possible as many of our film sessions are free or are provided at nominal costs.

If you are interested in becoming a sponsor, please contact me at 845-729-5107. Checks can be made payable to VOB Film Festival and sent to VOB Film Festival, 368 Bullet Hole Road, Patterson, NY 12563. The VOB Film Festival is a recognized 501(c)3.

I hope you consider supporting the arts and the Festival!

Sincerely,

Bob Dumont  
Chairman

Village of Brewster (VOB) Film Festival  
2019
