

Shelda Switzer

3sHealth

Shelda Switzer is passionate about leading change in the health system and making a difference for patients and their families. She is a Senior Project Manager and interim Transformational Services Director at 3sHealth. Shelda works alongside health system partners to manage and implement provincial services and has been involved in a number of provincial-wide projects.

Shelda holds a Bachelor of Commerce from the University of Saskatchewan. She is a certified Project Management Professional (PMP), a trained Lean Leader and has recently completed the Saskatchewan Leadership program. She is a continuous learner, using her years of healthcare experience to improve her skills and knowledge. Outside of work, Shelda enjoys spending time with her husband and 2 beautiful daughters.
