

Shopkey Assignment due 4/10/2020

What is Shopkey?

Shopkey is an online database of repair manuals for all types of vehicles. **ShopKey** is the premier online solution for automotive repair information, vehicle maintenance, diagnostic data, and labor estimating that students have access to 24/7.

Assignment:

ALL students will log onto Shopkey and use the program to find information on a family vehicle. Please keep in mind that this is an exploratory assignment in which students should browse the program and learn how to use it. There are multiple ways to find the information through the program, so not everyone will follow the same steps to get the information needed.

The website for Shopkey is <https://www.shopkeypro.com>
