#### **U12s Match Reports – Lizzie Driscoll**

Great all round performance by both U12 teams today. The A team worked hard and were unlucky to narrowly lose 19-18 to a very good Surrey Heath Team and then went on to easily beat Fairlands 35-4. All of the girls played really well and it was great to see them putting into practise some of the things that we have been working on in training over the past couple of weeks. The B team had a superb start beating Kingston 12-3 and Fairlands 17-1 with outstanding displays from several players but most noticeably from Captain Imogen Coldicott and Amelia Feltham who linked up fantastically well as GA and GS.

No star players for either team - extremely proud of all of the girls today. Superb effort from everyone and a great start to the season.

#### **U13s Match Reports – Jane Arnett**

Wow ! Netball days don't get much better than today. The girls played with fire in their bellies and fought for every ball. It was lovely to see, and I am very proud of them all. I cannot choose Star Players today, because every girl played their part and there was some great teamwork shown. Well done to the Captains, Kaitlyn and Sophie, who took their jobs very seriously, warming up their teams and making sure everyone was motivated and ready for the off. It made a big difference so thank you girls.

#### Kingston District Netball League

#### **AAS Ladies v Surrey Panthers (DREW 31 - 31) – Natalie Marchant**

The Ashtead Ladies played in a very exciting match against Surrey Panthers this week. It was end to end play with never more than three goals separating the teams. This a great start to the season for the combined team of our Back to Netball ladies and our U16s, the majority of whom have never played in an adult league before. The standard of play is great, and they're getting better and better as each match progresses. The opposition awarded Star Player to Sophie Tarling, who worked tirelessly throughout at C, and I'd like to mention Jonelle Bester, who had a phenomenal game at GK and GD. Well done ladies!!
