

WELCOME!

I would like to welcome everyone to the 123rd Adair County Fair July 17th-21st. Another year has gone by and so much has happened. The Fair board has been busy this past year working on more improvements and planning in hopes that everyone will have a fun week with family and friends. We have been able to complete some of our long-term projects on the fair grounds and hope that all we have done will make everyone's visit to the fair a little more enjoyable.

I would like to thank all of our supporters and the Adair County Supervisors for everything they have done to allow us to continue this great tradition year after year. I would also like to thank all of the fair board members for their long volunteer hours and efforts they donate to the fair every year. A very special thank you to all 4-H and FFA members that have learned from their past projects and those that will come back this year with energy and excitement as they share with everyone what the fair means to them.

We welcome and look forward to seeing all of you at the fair this year, which promises to be another good one.

Thank you,

Scott Steele
Fair Board President
