How NALS Works for the Profession

Create the Future

Our leaders convene on trending issues in legal education, legal technology, and changes in the profession.

Serve as a Valuable Reference

By publishing two textbooks—*The NALS Basic Manual For the Lawyer's Assistant* and *The NALS Advanced Manual For the Lawyer's Assistant*—NALS remains a valuable reference for the next generation of professionals.

Uphold our Principles

Our association is a powerful voice on ethics, professional responsibility, and integrity.
