FINANCIAL POLICIES: Parents PLEASE familiarize yourself with these policies, which you must view and confirm that you agree to them at registration:

Bank draft required for payment; if bank draft is rejected, payment will be processed via the credit card on file with an additional 4%. Cash/checks also acceptable. All payments are non-refundable and non-transferrable. Tuition is divided into 10 equal installments over one school year, August thru May, due on the 1st of each month based on a min of 31 active weeks classes will be in session due to holidays, breaks, inclement weather, and other interruptions. Tuition does not vary or pro-rate even in the event of absences, holidays, days in the month, etc. and TADA follows the CISD calendar for closures with some exceptions. Missed classes can be made up with office permission within 2 weeks of the missed class; no refunds for missed classes. Dropping a class must be done in writing 30 days in advance, otherwise tuition will be charged on the 1st of that month. Class changes after registration will incur a change fee of \$20. Payments made AFTER the 3rd will incur a late fee of \$15, and a \$35 fee will be applied to all returned checks. Students will be dropped from a class or recital costume withheld for accounts unpaid more than 21 days after due date. Late pick up fee is \$1/minute if a child is not picked up within 5 minutes after class. TADA reserves the right to cancel or change the time of a class due to enrollment of less than 5 students.

For easier payment, we are happy to break up your tuition into monthly installments. (Each installment is payment towards the whole tuition amount, not payment towards just that month's classes). If paying by installment, then the first & final months' tuition is due with registration fee at the time of registration. Payments are drawn automatically via bank draft, which is less expensive than paying by credit card (credit card is 4% more). You can also choose to pay by cash or check.
