

Ron Sullivan of Hazel Grove near Stockport passed away in hospital on 5th September after fighting cancer for the last few years. I have known Ron and his wife Marjorie for almost thirty years and always found Ron to be the perfect gentleman. They were great supporters of our Old Time dances and holidays as well as attending local Scottish Country dances.

He will be sorely missed by all who knew him. We send our heartfelt condolences to Marjorie at this sad time. Fred, President.
