

THE HAGUE CHRONICLE

VOLUME 13 No. 9

September 1985

LAKE GEORGE NORTH? IT COULD HAPPEN HERE!!

The night of September 5 was dark and we were being inundated with needed rain, but there was an exciting new beginning taking place as the public filled the town hall to capacity to attend a public hearing being held by the Hague Planning Board.

Residents from ALL over town and ALL ages had gathered to voice their opinion concerning a proposed new land use, namely, SURVIVAL GAMES. Petitions, letters, oral statements all said the same thing; a commercial use of this kind is NOT wanted in Hague! No-one was present from the Weiss family, owners of the 100 acres accessible from Decker Hill Road via a town dirt road called Fitzgerald Road, to speak for the new land use. The 17 families residing on Decker Hill and Battle Hill all signed a petition stating their reasons for opposition; traffic congestion and safety of their children. A second petition with 78 names was signed by people from all over town opposing the "Games". Other written and oral disapproval of "The Games" was presented during the 22 minute public hearing.

Supervisor Dick Bolton spoke as an individual, as well as for the Town Board, stating that "Hague is a residential community and we don't want it turned into another Lake George Village". Bob Bryant from Pine Cove said that "he is not against growth and change, but this type of development is not the type wanted in Hague."

Immediately following the public hearing the Planning Board held its regular meeting. The first item on the agenda, following the reading of the minutes, was a motion by Jack Carney that "The Town of Hague's Planning Board disapprove the application of Mr. & Mrs. Weiss for a land use permit, namely 'Survival Games', this Day, September 5, 1985. It was unanimously approved.

This is an excellent example of how public opinion, being made known to the Town in an orderly fashion, does affect the way in which our town grows and develops. Continuing input of this kind will make Hague a better place for all in the coming years....AYC

REPUBLICAN PRIMARY DAY 1985

As with the above article, individual expression does make a difference. The Republican Party had two candidates for each of two positions; Town Justice and Town Assessor. The machine counted ballots showed a difference of 15 votes between the candidates for justice and 6 votes between the candidates for assessor. It wasn't until Friday that the eight absentee ballots were counted, each of the candidates for assessor getting four of the votes. The winners were declared: Kenneth Yaw, candidate for Justice and George Shoemaker, candidate for Assessor.

Your VOTE is very important, particularly in a small town such as Hague....AYC

MORE ON YOTING

With November election only 6 weeks away voters should begin to consider why they vote for a particular candidate. Now is the time for each voter to judge the quality of work done by EACH elected official. Often in Hague elected officials run unopposed so one vote is all that is needed for election; all other votes only become a popularity vote for the individual candidate.

If you do not think an unopposed candidate is doing a great job, DON'T vote for that individual. If you like what they are doing, give them a vote of confidence. However, make sure that you do vote, even if you only cast a vote for ONE candidate. If 400 people go to the polls and some candidates only get a handful of votes, this lets those candidates know that the public is NOT satisfied with the job that is being done and perhaps they will try to do a better job during the next term. THINK BEFORE YOU YOTE AND YOTE WISELY...AYC

Next month we will be interviewing the candidates who are running for election.

If it weren't for optimists, pessimists would never know how unhappy they are.

...Modern Maturity

ZONING BOARD OF APPEALS - 8/22

The August 22 Zoning Board of Appeals meeting determined that William Smith's complaints about Van Voorhis' fence still in non-compliance, must be supported by more evidence.

A resolution passed unanimously approving the refurbishing of Katzman boathouse, Arcady Bay Estates, to become a single family residence.

A public hearing set for September 26, 7:30 PM to review a proposed lakeside deck on Offerman property and an addition to Thomas Azer boathouse property....GL

AUGUST 29 ZONING BOARD OF APPEALS

A public hearing was held at the special meeting at 8 PM. H. Ticknor and R. Sinkway were granted variances to build decks in excess of 100 square feet. Resolution forwarded to APA for approval.

HOME BUREAU

Home Bureau meets at the Hague Baptist Church Annex on the first and third Tuesdays of each month at 10:00 AM. The following is the schedule of programs:

- September 17 - Cro-Knit
- October 1 - Turkey wall hanging
- October 15 - Folded star purse
- November 5 - Catch-up, followed by Election Day luncheon at Firehouse.

EDITORIAL

Rumors - rumors! What to believe and what not to believe. Some rumors can be vicious, some can be funny, but others give us much food for thought.

For instance - a rumor that has been circulating in Hague this summer is that someone with "big bucks" is interested in coming into Hague and developing the center of the village for condominiums. Overtures have reportedly been made to several landowners in the hamlet area. Since our zoning ordinance has not yet addressed condominiums in Hague, this is quite a possibility, particularly if a developer can cut through all the red tape and agencies that control land development.

It is certainly understandable why Hague is being considered. Take a long hard look at Lake George Village and Bolton Landing. You really can't blame people for coming over the mountain to Hague.

Do we as Hague citizens want this kind of development? Perhaps we do, perhaps we don't. In either case, we as citizens should make ourselves heard. Talk to your supervisor and councilmen (and if you can't do it in person, WRITE). Let them know how you feel about it.

Wouldn't this be the right time for the town of Hague to consider purchasing some of this property that is for sale to expand our much overused park and beach? THIS WILL PROBABLY BE OUR LAST CHANCE!...djh

Note: Since writing this editorial, the rumors mentioned have become more than just rumors. Please read carefully the reports of the last Planning Board and Town Board meetings, pp. 5 & 3.

Again - we strongly urge you to write to your Town Council members and let them know how you feel about the action taken at the last meeting regarding a moratorium. They are:

- Richard E. Bolton, Supervisor
- Richard A. Frasier
- Linda Coffin
- James Braisted
- Martin Fitzgerald

...djh

The October meeting of Hague Post 1538 American Legion, will be held at the Legion Home on Wednesday, October 2 at 7:30 PM. All members are urged to attend. Refreshments will be served....BAC

Because of tax defaults on large tracts, the State decided in 1892 to create the Adirondack Park of 600,000 acres for health and pleasure. The islands of Lake George were added in 1893 and there was further enlargement on several occasions until 1973. Surprisingly, the peak of logging occurred in 1905, AFTER the Forever Wild amendment to the State Constitution...William Verner, Director of the Schenectady Museum

CONDOMINIUM - The absolute ownership of an apartment or a unit (generally on a multi-unit building) plus an undivided interest in the ownership of the common elements, which are owned jointly with the other condominium unit owners.

TOWN BOARD, SEPT. 12

During the first order of business, giving the privilege of the floor before the regular business meeting, a petition containing 104 signatures of taxpayers and residents of Hague was presented to the Town Board. The petition requested the Board to act upon a moratorium "on any new lake-front, multi-family dwelling projects and multiple sight projects not having separate and distinct ownership of shoreline."

There were letters from individual property owners who wrote favoring a moratorium as a method of giving the community time to consider the direction it wants to take for the future.

Two representatives of the LGA were present and spoke in favor of a moratorium, mentioning the many problems confronting Bolton Landing because of improper or non-existing zoning regulations, problems that will remain for years. They, too, noted that a moratorium gives a community time to proceed carefully with plans for future growth. Interestingly, the state is also considering a moratorium for the lake area to further protect what is considered a very important heritage. A moratorium can be extended or lifted at any time and in no way affects our day to day solution of problems that come before any of our three boards (Town, Planning, Zoning). It only affects those planning large projects that will have a profound effect on the community.

Supervisor Bolton would like to form a three-member committee to investigate every possibility for the long range development of Hague for the next 10 to 20 years.

The board passed, by motion, a moratorium for 365 days on the further granting of major subdivisions and housing units in excess of five. The town attorney will immediately set it in motion.

In other business, the village of Ticonderoga will purchase our school furnace for \$1,000.

Abandoned trailer on West Hague Road will be classified as a health hazard on recommendation of Town Administrator.

Motion not to sell school flagpole carried.
Monies collected this season at boat launch - \$3,473.00.

New sheriff for county Jan. 1. Requests for additional town coverage will be made by our supervisor.

May, June, July figures are covered in this report from Town Justice Harvey Yaw.

Motor vehicle cases.....	17
Criminal.....	4
Small Claims.....	3
Conservation.....	1
Dog Cases.....	1
Sent to Audit & Control.....	\$1,506.

A special meeting, to be attended by all three boards will be held on Sept. 19 at 7 p.m. to start updating our zoning code. Warren County Planning Board members Dan Kane and Pat Tatich will attend. This is an important meeting. Plan to attend.

A suggestion was made that the town purchase some of the prime area in our town center that is now for sale. We were informed that our town board had already considered this and had approached landowners but were limited by the amount of cash a town can commit to this purchase. Outside developers always seem to have more available cash. However, the idea has not been discarded.....gl

SENIOR CITIZENS CLUB

The seniors of Hague held their monthly meeting on August 27 and formulated plans for the picnic held on September 11. The first real sunshine of the month provided the group with great picnic weather and everyone had a great time. We will hold our September 25 meeting in the town hall at 1:30 p.m. Come and help us plan our next event. Both men and women are members but we would like to increase our male membership...gl

"Earth is here for humans, but not for us alone. We have the power and intelligence to manipulate the habitat to insure survival of creatures, great and small. Often the lower creatures are overlooked but they are indispensable in the cycle of life....Michael Frome, professor and author, Idaho

SENIOR CITIZENS - GOLDEN KEY

Senior citizens have free access to all school sports events, music concerts and dramatic performances. Recognizing the contributions that Senior Citizens have made to the progress of our community, the Board of Education adopted a policy that allows Senior Citizens (those over 60 years of age) free admission to basically all school events.

Golden Key admission cards are available in the Superintendent's office on Amherst Avenue between the hours of 9:00 a.m. and 4:00 p.m. For further information you may call 585-6674.

RUMMAGE AND FOOD SALE

Hague Volunteer Fire Department will hold a rummage and food sale September 19, 20 and 21 at the Hague Firehouse from 9 a.m. until 2 p.m. Any donations of items may be left at the firehouse 9 a.m. until noon on the 16, 17 and 18. For pickup please call Ida May at 543-6029.

HOSPITAL CAPITAL FUND DRIVE

I would like to take this opportunity to thank all the good people who worked so hard and so well on the Moses Ludington Capital Fund drive in Hague. You all know who you are, so I won't name you here, but did you know your efforts have brought in over \$21,000 to date? I'm sure we will reach or exceed our goal of \$25,000 for the town of Hague by the time all calls and contacts are completed. If by any chance you have not as yet completed your assignment, please don't feel it is too late to do so, but do try and make it soon. All are to be congratulated for their good efforts and fine cooperation, as evidenced by their good work.

At this point, thanks and recognition are due to those who have already responded to the calls and letters of the canvassers, who, by the way, have already made their generous pledges. If you have not yet responded, please do so before the year end to take advantage of a tax deduction. Also, consider: we are not sure how much longer contributions will qualify for a tax break!

To date 151 residents - summer and permanent have pledged or made a one-time contribution. If you have not yet made your contribution, please do so as soon as possible.....Ed Crabbs, Chairman Fund Drive for Hague

OUR TOWN THEN AND NOW

Compared to 1930 Hague is just a shadow of its former self. In those days we had two general stores selling clothing, groceries and much more. A bunch of bananas hung from the ceiling. Many staple items were sold in bulk. We still had four hotels, two ice cream parlors, three service stations selling gas at \$.15 a gallon and two restaurants.

The hotels were crowded most of the time. Churches had large congregations. The Catholic Church had masses at 7, 9 and 11. Often there were people standing outside. People came from five or more camps.

Farmers delivered dairy products, vegetables and maple syrup. Raw milk was creamy and was safe to use. Sale of alcoholic drinks was prohibited but there was no problem finding it for sale at homes where it was made or bought from booze cars passing from Canada.

We had four boats daily bringing mail, passengers, freight and express to Hague. Some men sold bait and illegally caught lake trout. There was a 10 fish limit. Good anglers weren't plentiful, but trout were.

So what is Hague now? The same churches, three summer restaurants, two gas stations, four cabin-motels, a beautiful park complete with playground, launching ramp - and lots of ducks.

We have lost our school with its social events. Some organizations have faded out. We have access to a famous lake rapidly becoming polluted with sewage, engine emissions and noisy boats. We still have movies once a week in the summer.

Summer events include the Bass Tournament, Arts Fair and Strawberry Festival. Interesting, but I miss the annual Regatta with its all day program and thousands of spectators - and the Baptist Church supper. That was a filling event.....Clifton West, Town Historian

FIRE DEPARTMENT

For those of you who have been wondering how much it costs to run the Hague Ambulance - a trip to Ticonderoga has been estimated to cost \$40.00

The next meeting of the Fire Department will be held on Oct 7 at 7:30 PM ...JS

PLANNING BOARD - 9/5/85

See p. 1 for news of the public hearing held prior to the regular meeting.

Thomas Azer's application to put an addition on his Indian Kettles property that would enlarge his dwelling by more than 25% of the existing square footage, was referred to the site plan review committee for its recommendation.

The application of George Smith for a 2-lot subdivision immediately north of Forest Bay was submitted. A public hearing on this will be held Oct. 3.

Agenda item #4, referral of variance application by Robert Katzman to convert existing boathouse to a residence, was not discussed because Supervisor Bolton stated that Warren County had already issued a building permit, as he (Bolton) had issued the Zoning Compliance Certificate based on information he had received from the Zoning Board of Appeals.

Dennis Dickinson, engineer, presented a rough plan of a 42-44, 2-1/2 story housing development proposed for the Light House Point/By Water Motel properties on behalf of his client, George Maggiolo. The project was deemed a major subdivision. A public hearing will be held after Mr. Dickinson has had time to prepare a more complete set of plans. This proposed major subdivision is located in a designated Flood Plain Zone. An Environmental Impact Statement will be required.

WILLY C'S AUG./SEPT. WEATHER NOTES

August continued the fine summer weather with warm days, cool, not cold, nights, but still dry. As a result we had a forest fire, started by some campers the weekend of August 17, on the southern edge of Tongue Mt. Unfortunately, it worked its way into the ground taking better than two weeks to extinguish. Over 200 acres of woodland were destroyed, the worst fire in the Adirondacks in the past 20 years, according to official sources. A half inch of rainfall on August 25 helped some but fire fighters still were on the line 24 hours a day. Their efforts were further aided on Aug. 30 when six tenths of an inch of rain helped to dampen the forest floor. The fire was declared out a few days later.

August only totaled 2.85 inches of rain. We closed the month off on a cool note, with a high on the 31st of 58 degrees F, coupled with N.E. winds that topped out at 22 MPH, the highest of the month.

Daylight hours are growing shorter at an accelerating pace. From August 1 thru Sept. 10 we have lost an additional 1 hr. 48 min. of daylight.

We at the Chronicle hope you summer folk appreciate the good weather we kept around for you until Labor Day. Through the 10th of September we have already had 4.3 inches of rain. Air temperatures have been warm, but today (9/10) is gray and raining. The air temperature is 58 degrees F., the water temperature is 69 degrees and with a 20 MPH wind from the N.E. we are experiencing our first fall thermal heat loss from the lake, something Willi C always enjoys watching. Forecast for tomorrow is sharply colder with fair weather and frost predicted in the higher valleys.

We should really begin to see some more of those early fall colors. When you have a chance, make sure to get out and enjoy. It is one of nature's finest spectacles.

FRESH WATER INSTITUTE INTERIM REPORT

The FWI has recently sent a report to the supervisor listing the hot spots around the lake. We are listing only the ones in the northern basin. The report is on file in the Town Hall, listing the date tested and the total coliform count.

Hague Brook	8/13	*MAT
* (Background colony count too high for accurate determination)		
Silver Bay Lodge Pit 1	8/13	8300
Silver Bay Lodge Brook	8/13	30
Hague Brook	8/22	80
Gull Bay	8/22	45
Gull Bay North	8/22	15
Glenburnie-west edge	8/22	800
Glenburnie test pit	8/22	5200
Tioga Pt. mid channel	8/22	10
Tioga Pt. A at drainage ditch	8/22	300
Silver Bay Lodge Pit 2	8/26	120
Silver Bay Lodge Brook	8/26	220
Cook Bay Culvert	8/27	14

The highest count was on Aug. 19 at Huddle Bay Brook - 620,000 !!

NY STATE LUMBERJACKS AND ATV RACES

The Hague Fish & Game Club grounds, north of the Town, will be the site of Columbus Day weekend festivities on October 12 and 13, 1985.

On Saturday, from 1:00PM - 4:00 PM, the NYS Lumberjacks Assn. will put on a fun-filled show, including log rolling, bucksawing, crosscut sawing, modified chainsawing, ax throwing and speed chopping. Amateurs are welcome in some events.

On Sunday, A.A.T.V.A. -sanctioned three-wheel races will be held at the Fish & Game Club track. Late registration will be from 8 - 10 AM, practice from 9- 11 AM; Pit Meeting, 11:30 AM and races begin at noon. Classes are according to A.A.T.V.A. rule book, and entry fees will be as follows: Amateur, \$10, Semi-Pro, \$15 (100% Payback). For more information contact Mark Martucci (518) 543-6528.

Admission on both days will be \$1 for adults, children under 10 free. A pit pass will cost \$2.

Drawings for 19" RCA portable color TV, Hitachi portable cassette radio, and walkman radio will be on Saturday, October 12. Tickets are available at several area businesses and from Winter Carnival Committee members.

On Saturday, October 12 the Hague Firemen will sponsor a ham supper to be held at Silver Bay Assn beginning at 5 o'clock.

LAKE GEORGE ASSOC. ELECTS NEW OFFICERS

The LGA elected its officers and a new director at its 100th Annual Meeting held on August 24 at the Silver Bay Assn.

Elected to serve as president was Peter Van Dyck of Bolton Landing and Scotia, NY.

Named to serve as Vice President was Alison Craig, Hague, a member of The Hague Chronicle staff and the Hague Planning Board. Within the LGA Alison serves on the Water Levels Committee. She has been serving as secretary of the LGA.

Re-elected as Vice Presidents were Lucas P. Hart, Jr., W. Robert Holmes, Lyman A. Beeman, Jr. and Tupper C. Limbert.

George Weinschenk, Diamond Point was elected secretary and Robert Edwards, Cleverdale, re-elected treasurer.

Newly elected to serve as a director was William Winslow, Silver Bay. Mr. Winslow is the immediate past president of S.B. Property Owners Assn.

Directors re-elected from the Northern Basin were George Singer and Dean Cook, Heart Bay and William Morgan, Silver Bay.

MAILING BRIEF

We've added many names to our mailing list since the last time we explained our mailing procedures, so here goes again.

When you send a contribution for The Hague Chronicle we add the month in which your gift was received under your name on the address label. This gives you a "hint" as to when you may wish to make another one. We use first class mailing for all but Hague, Silver Bay and TI mailings, so that our readers will receive the paper while the news is reasonably new.

We are grateful for your support in the past. It has given us the opportunity to update our equipment and still stay in the black. THANK YOU.

For your information, we now have 632 on our mailing list, sending to 32 states, including Hawaii and to Puerto Rico, Canada and West Germany. We do get around!

We are always receptive to comments and criticism from our readers - particularly constructive criticism. Please send news items to Mrs. Margaret Broderick, Editor, Box 215, Hague. We enjoy hearing from you, our readers

....DJH

I want to thank all the voters of Hague the way they have supported me the past twelve years. I am going to miss the campaign trail.

Your friend, Harvey

SMALL WORLD

Recently Ginger (Henry) Kuenzel's husband, Andreas played good samaritan to a young hitchhiker near their home in Munich and took him home with him. It turns out that he is Greg McKenney, whose grandparents live in Silver Bay. He is also the nephew of the Paul Ingrey's, also of S.B. He ended up staying for a ten day visit!

Spotted on Sept. 12 in Friend's Pt. one large monkey, running along on two hind feet. BC insists he wasn't seeing things, either!

SOUNDINGS

BORN - A girl, Kendra Leigh, to Karen (Noel) and Ronnie Fuller on August 16 in Schenectady, NY. Grandparents are Gladys and Vern Rockwell, Hague and great grandparents are Inza and Ernest Jordan, also of Hague.

MARRIED - Diane Ruth Jordan and Aissa Oudjit, both of Raleigh, NC on August 30 in front of Judge's bench in Town Hall, by Judge Yaw.

MARRIED - Michele Granito, daughter of Dolores and John Granito, Hague and Binghamton, NY, and granddaughter of Martha and Harry White, Hague, to Thomas Connors on August 31

MARRIED - Valerie, daughter of Mr. & Mrs. George May, Hague, to Peter Lawrence, South Glens Falls, NY in Silver Bay Chapel on September 14.

DIED - Frank Martin, 94, Indian Kettles, Hague, on August 22 in Moses Ludington Hospital. He is survived by three daughters, seven grandchildren and five great-grandchildren.

DIED - Byron Monroe, 91, Hague, in Moses-Ludington Nursing Home on August 26. He is survived by two sons, twelve grandchildren and 22 great-grandchildren.

DIED - Josephine Lambert Braisted, 41, Hague, on September 1 in Moses Ludington Hospital. She is survived by her husband, James, four daughters, mother, father and two sisters.

KYLE MAY, son of Georgiana May, Rt. 8, cadet of the N.Y. Wing of the Civil Air Patrol, attended the 1985 summer encampment of the Plattsburgh AFB in August.

TOWN OF HAGUE HIGHWAY DEPARTMENT IS TAKING APPLICATIONS FOR A FULL TIME AND PART TIME OPERATOR. APPLICATIONS MAY BE PICKED UP AT THE HIGHWAY GARAGE MONDAY-FRIDAY, 6:30 AM to 2:30 PM.

VIEWPOINT

I am in complete agreement with Dottie Henry's expression of disgust in the August issue of The Chronicle, regarding the vandalism that occurred on August 6, particularly at the senseless destruction of the flower bed at the center of town.

Without exception, the residents of Hague with whom I have spoken, both permanent and summer residents, feel that it is absolutely essential that there be local police authority in the village, preferably on a year-round basis. It is little enough to expect for the taxes we pay. The presence of such authority would dissuade the hoodlums from perpetrating the vandalism and enhance the opportunity for apprehension and arrest. Of course, after arrest, there has to be more than a slap on the wrist. Ask some of the local merchants who have been vandalized what they would recommend as punishment. Sincerely, (Name withheld upon request.)

Ed.: The above letter was received recently from one of Hague's long-time summer residents and a reader of The Hague Chronicle.

ARCADY BAY HISTORY

A celebration of Arcady Bay days old and new is coming next summer, along with another event with which we hope you will participate. At this time we are asking any of you with long memories and/or old pictures of Arcady Bay in the past to give us a call or write to Norma Mann

P.O. Box 759
Hague, NY 12836
543-6652

Please share with us your history of this beautiful site, and next summer we'll be looking forward to seeing you here at Arcady Bay supporting our "EVENT".

SURPLUS FOOD DISTRIBUTION SEPT. 18, 11 AM-3PM TOWN HALL

CALENDAR OF EVENTS - SEPTEMBER and OCTOBER

SEPT.

- 18 Surplus Food Distribution 11-3 PM
- 19 Carillon Garden Club - 11 AM
- 19 Sr. Citizens Bus to Glens Falls

 - 14 Columbus Day observed
- Representative from Veterans Administration is in Town Hall each Thurs. 11:30 AM

DIRECTION

We wonder why the world is growing
 And just where the world is going
 As the 'good old times' keep changing
 In a most distressing way,
 Because we always had a hope for
 A magnificent utopia
 That we'd reach, and when we reached it,
 It would be right there to stay.

But now the folks are getting lazier
 And they couldn't get much crazier
 In attempting to destroy us
 As we sit and simply seethe

---Harry Duggan de Buys from Crumbs from the Table, 1981

While they indulge in procreation
 And continue desecration
 Of the mountains and the waters
 And the atmosphere we breathe,

And so the moral of my story
 Is that God, in all His glory,
 Has bestowed on us the beauty
 Of His wondrous universe,
 But He must save a bit of splendor
 For what happens in the end or
 We would never know our mortal life
 Had gone from bad to worse,

FIREMEN'S DINNER - OCTOBER 12-SILYER BAY- FROM 5 PM - ?
