

ATTACK VOLLEYBALL

PAYMENT/REFUND POLICY

For athletes and parents by signing below, you are agreeing to participate in the Attack Volleyball Club and you will be responsible for paying the club fees as provided. Failure to make payment will stop the participation of the athlete in the Attack Volleyball Program until payment is received. Attack Volleyball Club will notify you in writing and give you 4 business days to make payment, or the program will end and further action on the part of Attack Volleyball Club will occur. If you choose to leave the team at any time for any reason or are dismissed from the program you are still responsible for ALL remaining club fees. If you need to set up a different payment schedule, please contact club director, Jodi McMillan for additional information.

No refunds will be given after Friday November 23rd, 2015 once teams have been formed and the parent/guardian has provided Attack with an acceptance email along with the club deposit. In the event that you choose to leave or a player is removed from the club for any reason, payments will be forfeited. In the event of injury causing the player to end the club season, a refund will not be given, but money paid can be used as a credit towards camps, clinics, or the following club season.

- We offer a multi-player discount for families who have more than one athlete, please contact the club director for details!
- If a check does not clear, a fee of \$25 will be added to your amount-due to cover bank penalty fee for Attack Volleyball Club.
- Please consider participating in some form of fundraiser to offset the cost of your club fee. There are ideas listed on the website!
- If you do not have a checking account or are unable to pay by check, you may pay with cash or credit card. Please contact the club director to arrange for these payments to be made. There WILL be an additional fee for every credit card transaction made.
- Coaches WILL NOT take payment or paperwork for the club, this needs to be given directly to the club director or designated Site Director at player assessments and practices to maintain consistency and accuracy of all payments and paperwork. It is not your coach's job to handle financial concerns. Please direct all of your questions regarding payment to the Club Director. We want our coaches to be focused on the coaching of their teams and free from the responsibility of money issues.
- Please note, for those members who are joining later due to School participation, please contact the Club Director for additional dates.

I have read this document in full and agree to the terms above given by Attack Volleyball Club.
