WRITE TO FEEL BETTER

A writing template for journaling or reflection. It features a central vertical line that divides the page into two columns. The page is filled with horizontal lines that alternate in color between light blue and light pink, creating a visually appealing and organized space for writing. The lines are evenly spaced and extend across the width of the page, providing a guide for text alignment and length.

Draw and color a picture of yourself walking or running on The Daily Mile.

MY DAILY MILE TRACKER

Good habits start one day at a time! Color, check off, or put a sticker over each shoe when you complete The Daily Mile that day.
