

TECH TUESDAY #4: TECH GAMES IN THE CLASSROOM

Looking for ways to integrate games using technology?

Scott Woodley will walk us through various games integrating technology to use with our students. Includes time to create using Kahoot, prodigygame.com, Hour of Code, Google Expedition and VB goggles. Come ready to play, create and share!

Tuesday, July 10, 2018

8:30—11:30 AM and/or 12:00-3:30

\$50/\$100 Registration Fee & 3/6 PDCs
