

NCRTAC OOH MINUTES

22 September 2016

Attendance: Delmond Horn, Ken Marg, Corey Smith, Linda Vollmar, Bruce Gordon

1. Meeting Called to Order

2. 28 July Minutes Approved

3. Old Business: (1) Discussion of the Langlade Hospital (Level 4) presentation of the reorganization of their commitment to the Trauma System. This included development of a trauma activation protocol. A copy of this protocol will be brought to the Dec 1 meeting. Dr. Gordon will obtain a copy of Riverview Hospital (Level 3) for the Dec 1 meeting and Ken Marg will obtain a copy of the Neillsville protocol. This will allow better insight into the outreach education of EMS providers specific to their area of service. A survey of resources available the EMS e.g. availability of ALS intercept will be needed. (2) The components of the Antigo schools emergency were discussed It was decided that the SWAT-T tourniquet, gauze & some type of tape would be best for a layperson Stop the bleed kit at tech schools & UW campuses AED cabinets.

4. New Business: None

5. Next Meeting: Dec 1 at St Clares Weston

6. Adjournment

Duration of meeting – 30 minutes

Submitted by Chairperson Bruce Gordon MD
