

Welcome to The Church of the Angels

Church services will be in person on the first and third Sunday,
and will be one hour in length.

To accommodate virus protocol
the following changes are being made to our service.

**If you are feeling unwell,
please return home and join in our zoom services.**

**Masks are to be worn over nose and mouth
the entire time within the building.**

If you are unable or choose not to wear a mask we ask that
you please join us during our online zoom service instead of
joining us in person.

Doors will open at 10:30.

State guidelines allow **only 20 congregants** in the church space at one
time (in addition to the workers). Seating is first come, first serve.

Single attendees may seat themselves in designated chairs.

Groups of people living under the same roof will be seated by an usher.

Temperatures will be taken at the door.

Questions about CoVid accommodations will be answered at the door.

Social distancing must be practiced.

Music will be played, but we ask that you sing silently.

We ask that you recite the Statement of Principles silently.

Healing will be done through distance energy work.

If you would like a healing, we ask that you go to the healing agent
nearest to you at the back of the church.

Healing agents will be standing 6 feet from the standing participant.

No food or coffee to be served after service.

**Thank you for your cooperation and support.
The Board of Trustees of The Church of the Angels.**
