**Prayer for the United States of America to turn it from evil to good.**

Lord God heavenly Father I pray for the United States of America. Our country has been evil in its desires, acts and motivations forgive us Lord. We have blindly accepted all kinds of evil and have voted and supported it in. Have mercy Lord! Change, implement and turn around all our

bad decisions and help us rebuild America to the greatness it was and even greater than it has been. Turn our country over from evil to good and let your warring angels make it happen to overcome all the odds of Satan's power against us.

**Mercy over our country Lord mercy.**

Have mercy on us Lord that our country would fully receive your blessing, help and leadership. Have mercy for all people. Those in the womb, Infants, Toddlers, Small Children, Teenagers, Young Adults, Adults and the Elderly and Infirm. Have mercy on all the inhabitants of our Country that they would be fully turned to you in every way and be made right in your eyes. Lord have mercy on our country.

**Pray for Donald Trump our president.**

I pray for Donald J. Trump the President of the United States that in all things he would be lead by You Lord. Protect and defend Donald with your love and power and help him to overturn and disrupt and abolish every evil that is currently practiced in the United States of America. Lead Donald by your Holy Spirit, and help him to hear and recognize Your voice so that he will do exactly everything You want him to do Lord. Protect Donald's life from those who seek to take it from him. Protect his family, workers, colleagues and everyone who works for him. Make Donald successful in every plan that You have Lord and encourage our country through him. Lord have mercy!

**Pray for peace**

Lord have mercy on our country and make it one of peace again. Demolish every force of the Evil one and overcome him by the might of Your word, by prayer, sacrifice and fasting. Turn the hearts of all people in the United States of America to be one of love, justice and peace. Support us Lord so that the peace you have toward us would be the peace that we display to others. Make America at peace Lord and encourage everyone with joy and happiness that Your peace may rest upon us. Mercy Lord!

**Pray for the end of personal agendas used against the American people.**

Lord I pray for the destruction and tearing down of every evil intent brought against the American people especially those by leaders of our government and other key people. Hinder, upset, destroy and confuse every evil plan and every personal gain that us used against the American people. Completely destroy all these things Lord and enable the American people to once again be able to trust the leaders of our country and all those in authority. Bring all those who have acted in this way to justice and let the use of personal agendas be thwarted from even being attempted. Lord have mercy!

**Pray the eyes of people will be opened to see how pointless this bickering is.**

All the world gazes at internal strife and bickering our country is going through and it is humiliating Lord. We are a country that is torn and divided on many issues. Lord God Heavenly Father give our country a new sense of unity and brotherhood with one another. Help us by your Might and Power to come together in one understanding so that we will be as one people undivided. Help us by your power and might to bless our country and keep us from fighting against each other. Help us Lord to keep all our decisions in line with your Holy Word and Your love for us. Open the eyes of all people Lord to see how futile and pointless this bickering is in our country over many things. Lord have Mercy!

**Pray that Donald Trump will be respected so that the reforms that I have given him will go forward.**

In Your wisdom Lord God you have directed Donald Trump to make certain reforms in our country that will help and bless us and not hurt us. Give us this love of everything good our President has to offer. Build and lead every person in this United States of America to respect Donald J. Trump and all the agendas that You have given to him to be started anew in our country. Bless our efforts Lord to show honor, love and mercy to Donald Trump and to everything that you have given him to do. Lord let your will be done on Earth as it is done in heaven. Help Donald to succeed in all of these things so that your glory may dwell with us and so that peace and righteousness may avail.

**Pray that the evil ones in Government will be exposed and brought to justice.**

The Evil one has planted Evil People as seeds into our Government. Bring all these evil one's down by the power of Your Might Lord. Send your warring angels to completely and fully expose all of these evildoers and take away their authority. Bring them to justice Lord so that everything may come together for Good and so that peace and a great working government can be established. Bless those who are doing well and working with integrity and justice.

**Pray for the disarming of the lying press that are continually shaping people's minds.**

Lord we are being lied to continually by the lying press that are trying to shape the United States citizens and people into doing what is evil, and encouraging us to work against your plan for the salvation of all who trust in you. Disarm, dismantle and destroy every news organization who will not report the truth and who are trying to change the hearts and minds of people with their evil agendas. Make their voice disappear so that people will no longer be affected by them.

**Pray for those minds to operate on their own and not by the spell of the media.**

Lord God Heavenly Father I pray for every mind to open up and come to the knowledge of what is happening to them from the media. Help them to see the evil intent and pure blasphemous intentions of the media to control people's minds. Give people their own mind that they may come to the knowledge of the real truth and know they must think on their own. Give everyone minds that will think on their own and may their minds be inspired and lead by Your wonderful Love and Knowledge. Change the hearts of everyone to recognize with absolute clarity what the media is doing and lead them to reject listening to them.

**Pray that this spell will be broken and the people would start thinking for themselves.**

Break the spell that the media has put on people, break all of Satan's spells so that we can be at peace with You Lord and with one another. We cast out every demon, backup pool, every evil entity of cause out of your people and cast them into the pit of hell never to rise again. Make all people everywhere in this United States think critically and give us an innate sense of right and wrong so that we can judge for ourselves the words of the world coming at us. Help us all by your power not to be led astray so that we may be firm in our resolve to love one another in peace.

**Break the curses that the government is in under Satan.**

Our government is under the rule and authority of Satan Lord at least in part and I reject Satan and all his ploys and schemes and lies. Break every curse and force that has been put over our heads and to our United States of America that it would be fully Yours again Lord. Take every

curse and destroy them making them null and void of working. I break these curses by the power of Your most Holy Blood sacrificed for us on the cross. Place your holy angels around all of us and bless us with Lord with your Love. Make our government whole again and pleasing in Your sight Lord. Destroy fully the work of the Evil one against our government in every way. Expel the leaders that do not love You Lord and put in new one's who honor and love Your ways Lord. Lord have mercy!

**Against the brutal sacrifices rape and torture and harm against children for Satan in order to bring this country down.**

Enough Lord, have mercy Lord have mercy. I pray against every sacrifice offered to Satan and make it null and void by the power of Your most Holy Blood Jesus. Wreck and dismantle every attempt to offer to Satan. Confuse and make his servants powerless to to even to create or announce a curse or shed blood for Satan. Work against every ploy of those who practice these things and change their hearts and minds to accept you. Destroy all these curses so that the attempts brought to destroy the country would absolutely fail in every way. No longer let torture and rape of little children happen Lord. Lord have mercy on the children and all who are abused in any way, but especially for them that have been tortured and sexually abused specifically for the tearing down of this Nation. Lord have mercy!

**Pray for blessing , healing of our country its children and inhabitants.**

Finally Lord God heavenly Father give this country healing, peace and bless all its residents especially the children. Lord without you we have no hope and no peace, but with you comes peace, healing, love and a truly good life. With all my heart I want this country of the United States of America to prosper and be blessed. Lord bless us with all Your power and might! Give us every hope and dream that is Godly and encourage us in the hopes that our prayers are powerful and effective working wonders in Your sight. Let everyone live in peace with each other and may we at all times bestow the love and light that You have Lord to all we know.

Lord God heavenly Father into your hands I commend all these things, trusting in Your mercy through the power of Jesus Christ who suffered, died, and rose again from the dead and in who's blood has purchased and won me from my sin and the power of the devil.  
Amen! Amen! Amen!
