

## **To All Residents of Valley View Estates,**

The Jim Thorpe School District and the bus company have brought to our attention some safety concerns at the bus stop that need to be addressed.

1- When the bus is there, no vehicle is to move in any direction, whether the flashing lights are on or off.

2- When the bus is there, parents and children are to stay on the side until the bus leaves.

If you have any questions or would like to volunteer, please contact Valley View Estates POA at 570-445-4682 or email the Association at [vvepoa@yahoo.com](mailto:vvepoa@yahoo.com)

---

We expect and appreciate everyone's full cooperation.
