We hope your kids can join us for a virtual art class, led by Tabitha Harper, owner of McHarper Manor. She will lead the kids through a class making fun watercolor monsters (see image below)! This is a class designed for ages 3 and up, but all kiddos are welcome. The cost is free (thanks MMoms!) but you will need to have the following supplies for a successful craft:

- 1 sheet of watercolor paper
- Water color paints
- Googly/Wiggly eyes (self adhesive or add glue to your list)
- Sharpie Marker
- Water cups for rinsing brush

We have missed all of your children so much and hope to make this a fun virtual experience!
