Quote is valid for thirty days.

Any alteration, addition, or deviation by client from above specifications involving extra costs will become a separate charge – over and above the estimate.

If site preparation requires excessive landscape removal or replacement, irrigation adjustments, tree or fence removal, or expenses required by unknown factors when quoted, these additions may also incur additional changes to the estimate.

Turf and installation supplies are ordered specific to each job. Cancellation after turf is ordered will incur a 25% restocking fee plus shipping charges.

All promised installation dates are controlled by weather conditions. All agreements are contingent upon strikes, accidents, or delays beyond STI's control.

The owner is required to carry fire, tornado, and other necessary insurance upon above work. Workman's Compensation for the above work to be taken out by SYNTHETIC TURF FLORIDA, LLC.
