

Union Position: Agricultural Conservation Programs Coordinator

The Wyoming County Conservation District is seeking qualified individuals to fill the position of Ag Conservation Programs Coordinator. The successful candidate will be responsible for coordinating and applying the necessary resources, programs, and funding sources available to implement the Wyoming County Conservation District's Chesapeake Bay Tributary Strategy, administering Pennsylvania's Nutrient Management Program, and administering Wyoming County's Agricultural Land Preservation Program. This position is under the direct supervision of the District Manager.

Minimum Requirements

- Bachelor's degree in Agronomy, Environmental Resource Management or any equivalent combination of training and experience that provide equal knowledge, skills, and abilities as determined by the Board of Directors.
- Ability to work independently and complete agricultural inspections of farms
- Knowledge of Production Agriculture is essential
- Ability to work outdoors and to traverse rough terrain
- Valid Driver's License

Please submit cover letter and resume to Doug Deutsch, Wyoming County Conservation District Manager, 21 Hollowcrest Road, Tunkhannock, PA 18657 by 4:00 pm; Friday, November 19, 2021.
