To the Sherburn and Welcome City Councils,

December finished up with 155 calls for service for the month. This brought the total for the year to 2,000 calls for service. This eclipsed the department's previous record (1,866) by 134 calls so 2017 was clearly a busy year for the department. In comparison, the department responded to 144 calls in 2015 and 151 calls in 2014.

Response time average for the month was approximately 2 minutes and 55 seconds. This is in the average range that the department usually operates in.

We had our first snow emergencies of the year in December and unfortunately there were a few vehicles that the department had to remove from the streets for violating the no parking rule. As is usual, I believe that there will be fewer and fewer cars that are an issue as the winter moves on. A total of 13 snow emergency violations occurred within the two communities with only a handful of them requiring removal. The department and each city does everything we can to notify residents of the declared emergency and officers attempt to contact the owners of vehicles in violation prior to towing. Only those that we were not able to make contact with were towed.

I hope everyone had a great holiday season! Let's hope that the rest of the winter is fairly mild.
