Mochi Ice Cream

READY TO BLOW YOUR MOUTH'S MIND?

About My/Mo

My/Mo is a miraculous match of magnificent mochi dough with marvelously mouthwatering ice cream.

In less than one year, My/Mo Mochi Ice Cream has taken the snacking world by storm. Once an underserved niche of frozen novelties, My/Mo Mochi Ice Cream is bringing mochi ice cream to the masses. Their hands, mouths, clicks and snaps speak for themselves. My/Mo Mochi Ice Cream is a snack that just happens to be ice cream.

It's what's inside that counts, right? Or what's on the outside? Only one way to find out. Grab a My/Mo. Feel the curious coolness in your hand. Stretch it. Squeeze it. Take a nibble. Take a bite. Sink your tongue in and savor the flavor. Lick the powder off your lips. Wrap up that one last creamy, exciting mochilicious mouthful.

Verdict? Sweet mochi exterior, or velvety ice cream interior? You may just need another to decide.
