### Visit to India

Recently one of our board members had the opportunity to visit the campus of Bridge of Hope India in the state of Andhra Pradesh. She was able to oversee the delivery of some of our dehydrated vegetable mix to the Director of the Indian support organization as well as sample some of the vegetable mix cooked with spicy hot curry and rice - just the way the kids at Bridge of Hope love to eat it.

### Annual General Business Meeting

Our AGM was held on March 26 with a very good turnout of members and guests. Our production and output of vegetable mix continues to increase each year thanks to a growing number of volunteers and the ongoing support of local producers and growers. We thank God for inspiring so many to help with this effort. Copies of the Annual report and financial statements may be picked up at our Gleaners facility or you may request a copy by contacting our admin office

### Shipment to Eastern Europe

We recently had a report of a shipment we sent to Eastern Europe to assist with relief aid organizations struggling to help in areas with high unemployment and little government support. Below we see our bags of dehydrated vegetables in the familiar Red Hat Co-Op pepper box at an orphanage in Romania.

Please be aware we have a new mailing address: P.O Box 656, Medicine Hat, AB. T1A 7G6.

Also the admin office phone number has been changed and is now 403-580-9432.
