

Please see the pages below for the words to the solos for this Sunday:

Footsteps of Truth

Words: Mary Baker Eddy

Music: Peter Link

We walk in the footsteps of Truth and Love
by following the example of our Master
in the understanding of divine metaphysics.

Whatever inspires with wisdom, Truth, or Love—
be it song, sermon, or Science—
blesses the human family
with crumbs of comfort from Christ's table,
feeding the hungry and giving living waters
giving living waters to the thirsty.

One's aim, a point beyond faith,
should be to find the footsteps of Truth,
the way to health and holiness.

We walk in the footsteps of Truth and Love
by following the example of our Master
in the understanding of divine metaphysics.

Mortals may seek the understanding of Christian Science,
but they will not be able to glean from Christian Science
the facts of being without striving for them.

This strife consists in the endeavor to forsake error of every kind
and to possess no other consciousness but good.
no other consciousness but good.

One's aim, A point beyond faith,
should be to find the footsteps of Truth,
the way to health and holiness.

We walk in the footsteps of Truth and Love
by following the example of our Master
in the understanding of divine metaphysics.

We walk in the footsteps
walk in the footsteps
We walk in the footsteps of Truth and Love

The Truth Shall Make You Free

Words: Ann Stephan

Music: Gail Allen

Do you know that you were made
Fine and strong and free
Do you know it's true, my friend
Do you really see
What a lot you have to give
If you know it, make it live

See the truth, show the truth,
Be the truth, know the truth
And the truth shall make you free
The truth shall make you free

Do you know how full of light
Man is meant to be
Is it true for you, my friend
Is it true for me
Then it's true for everyone
Show the every way you can

Seek the truth, sow the truth
Speak the truth, know the truth
And the truth shall make you free
The truth shall make you free

Do you know that God is good
Then you have the key
Glorify the good, my friend,
In the world you see
Love the truth for all you're worth
Let God's glory fill the earth

Give the truth, bring the truth
Live the truth, sing the truth
And the truth shall make you free
The truth shall make you free
The truth shall make you free
