The Bill Bereda Sportsmanship Award

The DDA has been fortunate over its history to have had many outstanding members. Bill Bereda was not a champion or a perennial team captain, but something more - a guy who thoroughly loved the game of darts and the people that played it.

From Bill's very start, it was always about the game more than it was about himself. He had an ego, and like any of us, he wasn't beyond talking a little trash before taking on a match, but that's where things ended. Win or lose, Bill never failed to be gracious and polite. Like anyone who truly loves the sport, he got as much pleasure out of seeing someone else shoot well as he did when he shot well himself. No temper tantrums, no rude comments or refused handshakes.

Bill ended up passing away from complications of Crone's disease on May 27th, 1989. The leadership of the DDA, searching for an icon to embody their Sportsmanship Trophy several seasons later, voted unanimously to name it The Bill Bereda Award for Sportsmanship after the former DDA Board Member. It would be awarded annually to the one player that best represented the standards set by Bill. The first one was presented to Chris Sanders in 1993 by one of Bill's daughters.

The Dave Servis Lifetime Achievement Award

Dave's natural athletic skills and long, lean build took him through high school and college competing in track and field. In the military, his athletics, combined with his facility for languages, got him assigned to NATO through the US Air Force. Dave was in Crete when he was transferred to Wright Patterson AFB in Dayton in 1970.

And that's where Dave was embraced by a bunch of pre-DDA darters. Dave had played overseas, so he knew a bit of the game. Sam Bowers became Dave's dart mentor, teaching him the value of "knowing his numbers". In 1972, the DDA was officially formed, with Dave serving as a board member for the next 8 years. Dave's first team was the "Untouchables", and they were!

Through the rest of the 70's and well into the eighties, Dave competed nationally and was consistently ranked in the top darters domestically and internationally, barely falling short of taking the title of Grand Champion in the US. He also played in the DDA all that time.

In 1999, Dave received the first ever DDA Lifetime Achievement Award, which features a drawing of Dave in one of his sillier (skiing) outfits and his darts plunked, as always, in his glass of scotch and water. Dave in turn presented the second award to Ellie Nichol on behalf of her and her husband, Nick, at the DDA banquet in 2000.

Dave passed away in 2015, but his legacy lives on in dedicated Dayton dart players.
