## Welcome

Welcome to the South Charleston Christian Academy. In late 2005, a small group of extremely like minded and faithful individuals launched out to organize and establish the Capitol City Baptist Church. The church with the corporate church vision of finding, or building, a facility that would sufficiently house our church needs as well as allow us the ability to establish a new Christian School and child care ministry.

The reality of that vision began during the spring of 2008. We purchased the old Darlington Methodist Church property in downtown South Charleston and quickly began as much renovation and repair as was physically and financially possible. That vision is now functioning every day as the South Charleston Christian Academy. The buildings have been brought into full compliance with all city, county and state level agencies with regards to the health, fire, safety and security codes. Those enrolled in our programs can be assured of our cooperation and compliance with these agencies. The Academy is properly and legally registered as an “Exemption K” school and is in compliance with the West Virginia State Department of Education and Kanawha County Schools.

South Charleston Christian Academy is the continuation of a tradition offering the most affordable and profoundly “Christian” child training and influences whether you are looking for pre-school, or the legally mandated grades of Kindergarten through High School.

The following pages should answer most of your questions. After reviewing the packet, please feel free to call and/or schedule an appointment to see if our dream can match your dream of rearing your children with a heavy dose of real life Christianity included in their day – Everyday!

## Objectives

*Our school will be a positive choice for parents who wish to give their children the advantage of smaller classrooms, more individualized attention, and the ability to learn in a Christian environment. We maintain several primary goals for our students. We strive for mastery in these 4 areas.*

### **#1 Interaction with others**

Goal #1 states that all students need to come along in life with the ability to be the best they can be at social interaction. We take an active role in teaching cooperation, confidence, kindness, sharing, and fairness. Along with the academic studies, we believe students need to be taught how to act and to interact with other children and other adults. So we implement and help to develop “habit training” as a first priority. Habit training is, by repetition, day after day, the reinforcement of the philosophy that we are not an island to ourselves, but that we are part of a group, and that to be treated fairly we must treat others fairly. So we develop routines that guide our actions, manners and behaviors.

**Any student who takes actions deemed to be “Bullying” in nature shall be disciplined, up to and including termination as determined by the school administration, without further warning. We guarantee a safe, pleasant, drug free and bully free environment. Along with the above statement, SCCA maintains a zero tolerance policy when it comes to Cyber-Bullying. Any derogatory remark or statement made on social media or electronic communication and subsequently viewed by the administration here as sexual, obscene, harassing, hateful, discriminatory or threatening or any comment negative in its content toward others shall disqualify a student to continue in attendance.**

### **#2 Mastering the ideology of Respect**

Goal #2 brings the teaching of respect for the person and property of self and others. We will be using phrases like “yes sir” and “yes ma’am” so frequently that the children will develop a healthy sense of respect for others. Selfishness and “me first” sit opposite of respect. We teach respect for all in authority and others in general. Parents & grandparents, pastors & policemen, siblings and sidekicks, family & friends are all to be treated with respect. We teach respect for the property and property rights of others. If it’s not yours – you need permission. No - we do not destroy what belongs to others, not the salt shaker in the restaurant and not the cell phone left behind on the table.

### **#3 Acceptable Behaviors**

Goal #3 means we will do our best to reward the concept of “found your mittens – why you good little kittens, now you shall have some pie”! Part of our everyday routine will also include “WHAT – Lost your mittens – you naughty kitten, now you shall have no pie”. Proper behavior is learned and therefore must be taught. We will learn how to sit when it’s time to sit, play when it’s time to play, study when it is time to study and listen when it’s time to listen. We will do everything within our ability to help your child achieve mastery at maintaining their own behavior. We intend to help your child mature by treating them professionally – and seeking the same in return. We’ll send a report card

home that lists behavior scores along with academics to let you know how that's coming along. We believe that if we do our job well at school, you are going to experience remarkable results at home.

*Even a child is known by his doings, whether his work be pure, and whether it be right.*

*Proverbs 20:11*

#### **#4 Academics**

Goal #4 is learning the academics. We know that most families are looking for a school that offers proper academics in the high school years. We acknowledge this goal. We are able at the Academy to provide a general skills education. We will be heavy in language, arithmetic, and social studies. We will do the best we can with the Sciences, though we have no lab for experiments. We also have the ability to be the base for students to attend the County operated vocational tech centers which offer a variety of vocational training to 11th and 12th grades. We cannot offer transportation to these facilities and we have no control of their atmospheres.

Academy children learn using the Abeka Curriculums, which are time tested and proven systems of learning in Christian Schools. We may at times use other course materials.

The Christian aspect of our day includes prayer time, bible time, and our weekly chapel day. We do Bible memorization and have the general influence of saying, "God made it that way" or perhaps, "Look how wonderful the Lord has made all of this". We remain unapologetic and unswerving in our attempt to promote the religion of Jesus Christ and His Apostles in the daily grind of our academy – that's why we exist. Our entire curriculum is based upon the old King James Version of the Bible, and so is the only acceptable version for our students.

Our students take the Tenth Edition Stanford Achievement Test in the spring of each year. Test results are submitted to the West Virginia State Department of Education and individual results will be mailed home to the parents at the end of each school year.

## General Information

School begins on Tuesday, September 4, 2018. You will receive a complete school calendar in the 1<sup>st</sup> week of school. The age of your child on September 1, 2018, decides his or her placement. The State of West Virginia makes that decision by law. You must provide proof that each child has successfully completed the prior years of education.

The cafeteria/youth chapel is open for early drop off at 7:30 a.m. Children of all ages will be supervised and must remain in the cafeteria/youth chapel until 8:00 a.m. There is no additional cost for early drop-off. After 8 o'clock every morning students are to report directly to their classroom; 8:30 is instructional class time. All students must be seated prior to 8:30 a.m. Late arrivals are not permitted other than reasonable exceptions.

SCCA Elementary classes are in session from 8:30 a.m. to 2:30 p.m. on Monday through Thursday. SCCA Middle/High School classes are in session from 8:30 a.m. until 3:00 p.m. on Monday through Thursday. Fridays are early dismissal at 1:00 p.m. The entire school is dismissed at 1:00 p.m. We do this both as a benefit to our staff and to induce more home time for your family. After-school care runs from 1:00 p.m. until 5:30 p.m. on Fridays. Students are to be picked up daily in the school cafeteria or they will be signed into the aftercare program. After School Care is available until 5:30 p.m. All students MUST be picked up from after school care by 5:30 p.m. Children are hungry after school. Please pack a snack and drink for your student if they will be staying after school.

Preschool students must be completely potty-trained. We understand the need for a little help, and we understand occasional accidents. However, habitual accidents will result in termination of enrollment. Preschool is for children at ages 3 and 4 with separated classes and curriculum respectively. The academic portion of the classes is Monday through Wednesday and Thursday and Friday daycare is for our enrolled preschoolers who need daycare. Younger students should have a change of clothing at school in case of accidents, spills, etc.

We do not serve breakfast, but we do serve lunch. Lunch information is in a separate document. Students may pack lunch. We do have a bank of microwave ovens. Students can purchase snacks, chips, mac n' cheese and candy. We will try to help with known food allergies, but our students still bring shrimp, peanut butter and other such modern day alarm causing items. Please make sure your child and their teacher know about any specific threats. Preschool has snack time in the afternoon. Please pack a snack and drink for your preschool student.

## SCCA Financial Policy

The Academy requires an annual registration fee of **\$165.00**.

This fee should be submitted along with your initial application for enrollment. Applications not accompanied by registration fee will be tabled as “inactive” applications. Reserved seating in our classes are secured by these paid registration fees. We will reserve seating on a 1st paid – 1st reserved basis. Registration fees are non-refundable.

The annual book fee is **\$140.00 per student; \$85.00 per preschool student; \$35.00 per student standardized testing fee** and there could be additional fees. This pays for the Abeka Book textbooks that your child will use throughout the entire year. Books must be paid for prior to issuance. We suggest sending partial payments over the summer to have this fee paid prior to the start of the new school year. Students cannot be permitted to attend class until book fee is paid. These books are essential to participation in class. Copies of the textbooks will be available for your review during the school open house.

Tuition is set at **\$335 per month / 10 payments per year**. That fee begins on August 1, 2018 and completes on May 1, 2019. There are discounts available for multiple students living in the same household and supported by the same parents.

Late payments cannot be carried by the academy. Payments are due on the 1st and late after the 10th of every month. Late payments will be assessed a \$25 fee per occurrence.

After the 15th of each month (regardless of how the day of the month falls) an unpaid account will automatically forfeit the right of the student to attend. If your payment is not in on or before the 15th of the month, your child must stay home. If enrollment is suspended, a \$45 reinstatement fee will then be added to your amount due.

Accounts running 30 days past due will forfeit seating reservations. Accounts that reach 45 days past due shall permanently lose any applied discounts upon re-enrollment.

We do have the ability to accept your Credit or Debit Cards.

## SCCA Standard

The intent of the interview is to help make the determination if our school is a good “fit” for your family. This section addresses acceptable dress and behavior while attending our school.

Those are small indicators of vastly different direction than what our school is promoting. SCCA reserves the right to deny a prospective student interview or retain any male students with long hair. Hair will be neat and off the ears and neck at all times.

SCCA Administration reserves the right to deny a prospective student interview or retain any female students with abnormal piercings. We will interview students who have been suspended or expelled from another school on a very limited, case by case basis. It is not the goal of our school to have troublemakers in the student body.

We will interview students who are lacking academic or attendance credits on a very limited, case by case basis.

SCCA Administration has the final authority on what is considered acceptable and not.

## Dress and Appearance Standard

Dress codes are institutional preferences, which the school sets and chooses for itself. Dress codes can frequently be a point of contention and frustration. Two different Christian schools that are equally committed to the Scriptures may have different dress guidelines for their faculty and students, just as churches, families or companies maintain varying perspectives.

At South Charleston Christian Academy, it is our belief that the physical appearance of the student is an essential element in developing the student's sense of wellbeing. A neat, attractive appearance among students helps to identify and distinguish any institution. Educational research shows a correlation between student dress and demeanor. We use the dress code to help our mission.

The uniform itself allows for personal selection of preferred colors and types of garments within the boundaries set by Administration. Students are expected to arrive at school in dress code and stay in dress code throughout the day.

Neatness and Respect are primary in our focus. SCCA has established these basic goals and guidelines for appearance and dress. We have separated them here boys from girls.

Final authority to decide appropriateness of an outfit worn on school property rests with the administration. Parents are encouraged to teach their children to live happily and within the rules deemed necessary and/or appropriate.

We want to prevent the dress code from becoming a major issue at SCCA. Even though we readily acknowledge that much of the dress code is mere institutional preference, it is not optional.

Students are expected to comply with the code, and parents are expected to monitor compliance with their children.

- Students' uniforms shall be clean and neat. Repairs shall be made as necessary, and if needed, new uniforms should be purchased during the school year.
- Clothes should fit appropriately at all times, and neither is **too** tight or **too** loose; the fit of all clothes should give a neat, well-groomed appearance. **Skin-tight, jeggings, leggings, yoga, joggers, baggy, oversized, or overly loose-fitting pants are not allowed.**
- Should a student arrive at school without assigned uniform, the parents will be called to bring appropriate clothing.

We suggest you have a look at Charleston Department Store, The Children's Place (great website uniform shop) and Land's End. Wal-Mart also has a web based uniform store.

## Lifestyle Statement

South Charleston Christian Academy (hereinafter SCCA) is an extremely Christian, educational institution that seeks to provide a basic and wholesome education in a distinctly Christian atmosphere and environment.

One of the goals of SCCA is to work with parents and guardians to train children and teens to be “Christian” in their morals and deportment. SCCA believes that the King James Version Bible is alone the inspired, Word of God. We believe truth by which Christians are to live and moral absolutes are found in that Bible.

SCCA expects and requires that both students and parents will support the school in its distinct mission and in its Biblical beliefs.

In relying on the teachings of Scripture, SCCA believes that the Bible prohibits sexual immorality of any type, including but not limited to pornography, homosexuality, and ALL human sexuality outside the marriage of one man and one woman. On those occasions in which a particular home or student is acting counter to or in opposition to the Biblical beliefs and lifestyle that the school teaches, the school reserves the right, in its sole discretion, to refuse admission to an applicant or to discontinue enrollment of a current student. This includes, but is not limited to, living in, condoning, or supporting any form of sexual immorality; practicing or promoting a homosexual lifestyle or alternative gender identity; or otherwise having the inability to support the moral principles of the school as stated throughout this Bible.

SCCA IS NOT an extension of or affiliated with the liberal State school system, and are separate and distinct on purpose – with a purpose.

## West Virginia Immunization Requirements for New School Enterers

State law and rules<sup>1</sup> require that all children entering school in West Virginia for the first time in grades K-12 must show proof of immunization against diphtheria, pertussis, tetanus, polio, measles, mumps, rubella, varicella and hepatitis B unless properly medically exempted<sup>2</sup>. The table below outlines immunization requirements as most commonly met.<sup>3</sup> The West Virginia Bureau for Public Health recommends that vaccine doses administered 4 days or fewer before the minimum interval or age should be considered valid.

Vaccine	Requirement	Provisional Enrollment	Additional Information
DTaP/DTP Td/Tdap	Before admission, four doses required. One dose must be after the 4 <sup>th</sup> birthday.	After one dose, student may be allowed up to 8 months to complete the series.	<ul style="list-style-type: none"> <li>Three doses only for children completing primary series at age 7 years and older.</li> <li>Children exempted from the pertussis component of DTaP vaccine should receive DT vaccine instead, or if past 7<sup>th</sup> birthday, Td / Tdap vaccine, as applicable.</li> </ul>
Polio (IPV)	Before admission, three doses required. One dose must be after the 4 <sup>th</sup> birthday.	After one dose, student may be allowed up to 90 days to complete the series.	<ul style="list-style-type: none"> <li>If polio immunization series included both OPV and IPV, then a total of 4 doses are required.</li> </ul>
Measles, Mumps & Rubella (MMR)	Before admission, two doses required. First dose must be after the 1 <sup>st</sup> birthday.	After one dose, student may be allowed up to 30 days to complete the series.	<ul style="list-style-type: none"> <li>Doses should be a minimum of 28 days apart.</li> </ul>
Varicella	Before admission, two doses required. First dose must be after the 1 <sup>st</sup> birthday.	After one dose, children less than 13 years of age may be allowed up to 90 days to obtain 2 <sup>nd</sup> dose; children aged 13 years and older may be allowed up to 30 days to obtain the 2 <sup>nd</sup> dose.	<ul style="list-style-type: none"> <li>Children less than 13 years of age must have a minimum interval of 12 weeks between the 1<sup>st</sup> and 2<sup>nd</sup> doses.</li> <li>Children aged 13 years and older may receive the 2<sup>nd</sup> dose 28 days after the first dose.</li> <li>Immunity may also be demonstrated through the legal guardian's written or verbal attestation of varicella (chickenpox) disease.</li> </ul>
Hepatitis B	Before admission, three doses required. Last dose must be after the age of 6 months.	After one dose, student may be allowed up to 4 months to complete the series.	<ul style="list-style-type: none"> <li>Final dose is not valid if administered before 24 weeks / 6 months of age.</li> </ul>

<sup>1</sup> See WV Code §16-3-4 and 64CSR35 for further information.

<sup>2</sup> Medical exemptions must be requested by a physician who has treated or examined the child and be reviewed and approved by the local health officer in the county in which the child attends school. Requests for exemptions must be based on current standards of immunization practice and include the following information: the vaccine(s) being exempted, the specific medical reason for the exemption, whether the exemption is temporary or permanent, and, if temporary, when the exemption should be reevaluated. West Virginia State Law does not allow for non-medical exemptions to immunization requirements.

<sup>3</sup> Occasionally, based on product used or the age at which a child is being immunized, deviations from these requirements may be acceptable. Any deviation must be consistent with applicable, age appropriate immunization schedules found at <http://www.cdc.gov> and searching under "Immunization Schedules".

Notice to All Parents, Teachers, Employees, Staff and Volunteers of South Charleston Christian Academy, addressed at 149 7<sup>th</sup> Avenue, South Charleston, West Virginia 25303.

This informational letter comes to you at the direction of the United States Environmental Protection Agency (EPA). The agency requires all schools to inspect their buildings, and to identify, sample, and analyze all friable and non-friable building materials that may contain asbestos. Friable materials are defined as those that can be easily crumbled by hand. The asbestos in Schools Rule and the Asbestos Hazard Emergency Response Act (AHERA) regulation further requires that all parents, teachers and employees of schools where asbestos containing building materials is found, be notified. This requirement will be a part of an inspection and management plan that is on file in our school office.

The South Charleston Christian Academy has hired Pinnacle Environmental to conduct this inspection of our entire school facility. Any friable asbestos containing material that has been found to be damaged has been repaired or removed in accordance with the rules and regulations of the United States Environmental Protection Agency. As of August 2014, no friable materials were detected in South Charleston Christian Academy Facility. The non-friable asbestos containing building materials will be maintained as it is and will be re-inspected visually every six months for any physical damage until it is eventually removed.
