A Note from Rick: Markets steady throughout on Tuesday at TLA. It was a special feeder sale for August and we had several groups of good feeders, both steers and heifers, to test the market. Prices were very steady and have been for the last several months. \$.70 to \$.80/lb seems to catch the better cattle, both the steers and the heifers. We also had an August driving horse sale on Saturday. We had a big run of horses and the market was a little softer. We didn't have a huge crowd, partially due to the beautiful weather and that's a big reason for the market being a little tougher. We've got all of our consignments in for the Fall Draft Horse sale, along with all of our Fall horse sales. We are definitely excited about all of the horses coming to TLA. There are a bunch of highlights in all of the sales that we are looking forward to selling. Thanks to all the consignors for your support and for giving us the opportunity to market your livestock. See you at TLA!
