Private Dining Menus are listed below. Please select one menu. If you have a special request or would like a customized menu please contact Matt Henry: Cell: (404) 543-9123 or by email: info@winchesterwoodfire.com. As current pricing listed on the Menus below are based on current market prices, please be aware that pricing is subject to change as the market fluctuates. Also, the availability of products may constitute a change or revision in a given menu item or preparation of said item. The restaurant reserves the right to change or alter the offerings in the menus in any way at any time.

Private Dining Rooms are not reserved until a deposit is received. Each event requires the deposit of \$250 (In the form of a Check or Credit Card). Assuming that the event is not cancelled, or is cancelled at least 30 days prior to the date of the event, this deposit is not cashed or put towards the total of the event, but merely held and returned to the patron on the date of the event, at which point in time full payment may be satisfied. If the event is cancelled less than 30 days prior to the event date, then the deposit will not be refunded.

A final guest count is needed no later than seven days from the date of the event. This number should be as close to the actual number of attendees as possible as it is used to not only bill for the event, but also create staff schedules and order and prepare food items for the event. If the total number of guests in attendance is less than the given final count, the final count is billed. If the total number of guests in attendance is greater than the given final count, the number of physical guests is billed. It is for these reasons that the final count be as accurate as possible, and submitted in a timely manner.
