

4 Agility Workshops, 1 weekend

Join us for a weekend with

Donna Rohaus

July 15 & 16, 2023

Private lessons available on Friday, July 14th

Donna has been competing in agility since 1998, earning multiple championships in AKC, USDAA, and UKI; including multiple USDAA Platinum Lifetime Achievement Awards. A familiar face on the East Coast, Donna has trialed widely, frequently placing at national events with many of her dogs. Beyond her own accomplishments, it's the successes, large or small, of her students that makes her most proud. A lifelong student of dog training in general and the game of agility in particular, Donna loves to teach. Donna has been helping handlers become better teammates for their dogs since 1999, and offers classes and seminars throughout the east.

Each 1/2 day workshop is broken down by skill level

All workshops will have a sequence set up and working participants will walk the sequence, discussing the different pros and cons of various handling strategies. Each working participant will have the same amount of time on the floor.
