JUST THE FACTS ABOUT

The Home Builders Association of Alabama (HBAA) has been working hard to promote housing and pass legislation that will help you save money and improve the way you do business. Here are a few facts about how the HBAA's governmental affairs efforts are working for you:

- The HBAA is stimulating Alabama's economy through its work to pass the Alabama Home Buyer Initiative. This program will create **\$300 million in economic activity**.

- The HBAA's legislative efforts **reduced property tax on developed lots by 50%** for 2012 & 2013. That same legislation reduces the property tax on inventoried houses by 50% from now on!

- The HBAA convinced the Alabama Department of Public Health to create a state lead paint program in order to **keep EPA out of Alabama and to lower costs for Alabama remodelers**.

- The HBAA is a founding member of the Business Association Tax Coalition and the Civil Justice Reform Committee, groups that have brought about **meaningful tort reform to Alabama's courts and fairness to Alabama's tax laws**.

- HBAA-backed legislation **eliminated the prohibition on pre-sale agreements for lot sales**. This victory means commercial lenders will be more likely to provide development financing in the future.

- HBAA provisions in the new landlord tenant law increases the amount of time to return a deposit from 35 days to 60 days, **reducing the administrative burden on investment property owners**.

- The HBAA **eliminated local government's ability to charge a business license on each unit in a multifamily development**. This ensures that owners will not have to pay a fee on units that are not generating revenue.

- The HBAA **took the lead in crafting Alabama's first statewide energy and building code** that reflects the wishes of Alabama's builders, NOT the Federal DOE.

- HBAA legislative efforts **ensure that tax appeals are heard before a tribunal** instead of members of the Department of Revenue staff.

- The HBAA has partnered with Alabama Power to create the Duct and Envelope Tightness testing program, **allowing HVAC contractors to conduct their own inspections and saving builders hundreds of dollars per house**.

- The HBAA seeks to **promote skilled trades** through the use of unused HVAC and Plumbing licensure funds that currently revert to the State's general fund.

- The HBAA is **working to expand incentives for wind resistant construction and retrofits statewide** through potential tax credits and insurance reductions. These incentives will encourage new remodeling opportunities and consumer driven upgrades on new construction.

Your support of ABPAC, the HBAA's political action arm, enables us to fight oppressive regulatory burdens, elect pro-business and pro-building candidates, and to pass legislation that benefits Alabama's housing industry while opposing legislation that could negatively impact the way you do business.

**It PAYS to be a member--
ask us how you can give back to ABPAC today!**

PRESIDENTS MESSAGE.....

Being a member of the Homebuilders Association shows that you are concerned about your industry and willing to make a difference. I appreciate the commitment our members who constantly support our Association. Our association is only as good as the people who share in our goals.

For me, the bottom-line is about protecting our industry. The HBA is not about building a house any more than the NRA is about building a gun. Both associations exist to protect your rights and to protect the industries that build the products. So when you are recruiting new members to HBA, help them to understand that we are not about “growing their business” but more importantly we are here to help **“protect their business”**.

We have a great staff on the state level of the Home Builders of Alabama Association (HBAA.org) who are constantly working to protect us. They monitor every piece of legislation to ensure that it does not threaten our home building industry. Without a Watchdog, we would be burdened with heavy legislation that would add thousands of dollars to the overall cost of construction. Can you afford to have operation cost increase? It’s hard enough like it is. When you consider how important it is to control government overreach, then the cost of a HBA membership is money well spent.

Now that was the serious side of what we do, but other benefits exist as a member of HBA. For instance this month, you are welcome to attend the HBAA State Summer Board meeting in Sandestin July 21–23. There you can learn more about the details of how they are working for you. On the local level, we are having our Associate Appreciation Product Show in August. I mentioned the NRA earlier, but seriously we are having a skeet shoot in September so get your guns out! Back by popular demand, plan to attend Casino Night with a BBQ Raffle in October. For specific dates on these events please check out our website at www.hbaofdothan.org

So you can see there are plenty of opportunities to have a little fun, meet new members, and share in our goals.

Thanks for being a HBA member!

FROM THE OFFICE...

I want to encourage each of you to help us recruit new members this year. We have a contest going with our local Association and you can win a trip just for recruiting. This newsletter is full of reasons to join and reasons to renew. When you join your local Home Builders Association you automatically become a member of the Home Builders Association of Alabama and the National Association of Home Builders and you are entitled to all of the benefits at each level. If you need any information or literature on these benefits, please don't hesitate to call. We are here for you the member! Also, please make plans to join us starting in August...we have many fun events planned where you can meet with and network with others in the building industry. You can't afford not to participate and I really think you will have fun! Hope to see you soon!

Marella

TOP 10 REASONS TO RENEW

There are quite literally hundreds of reasons to renew your membership, but these, members say, are the top 10.

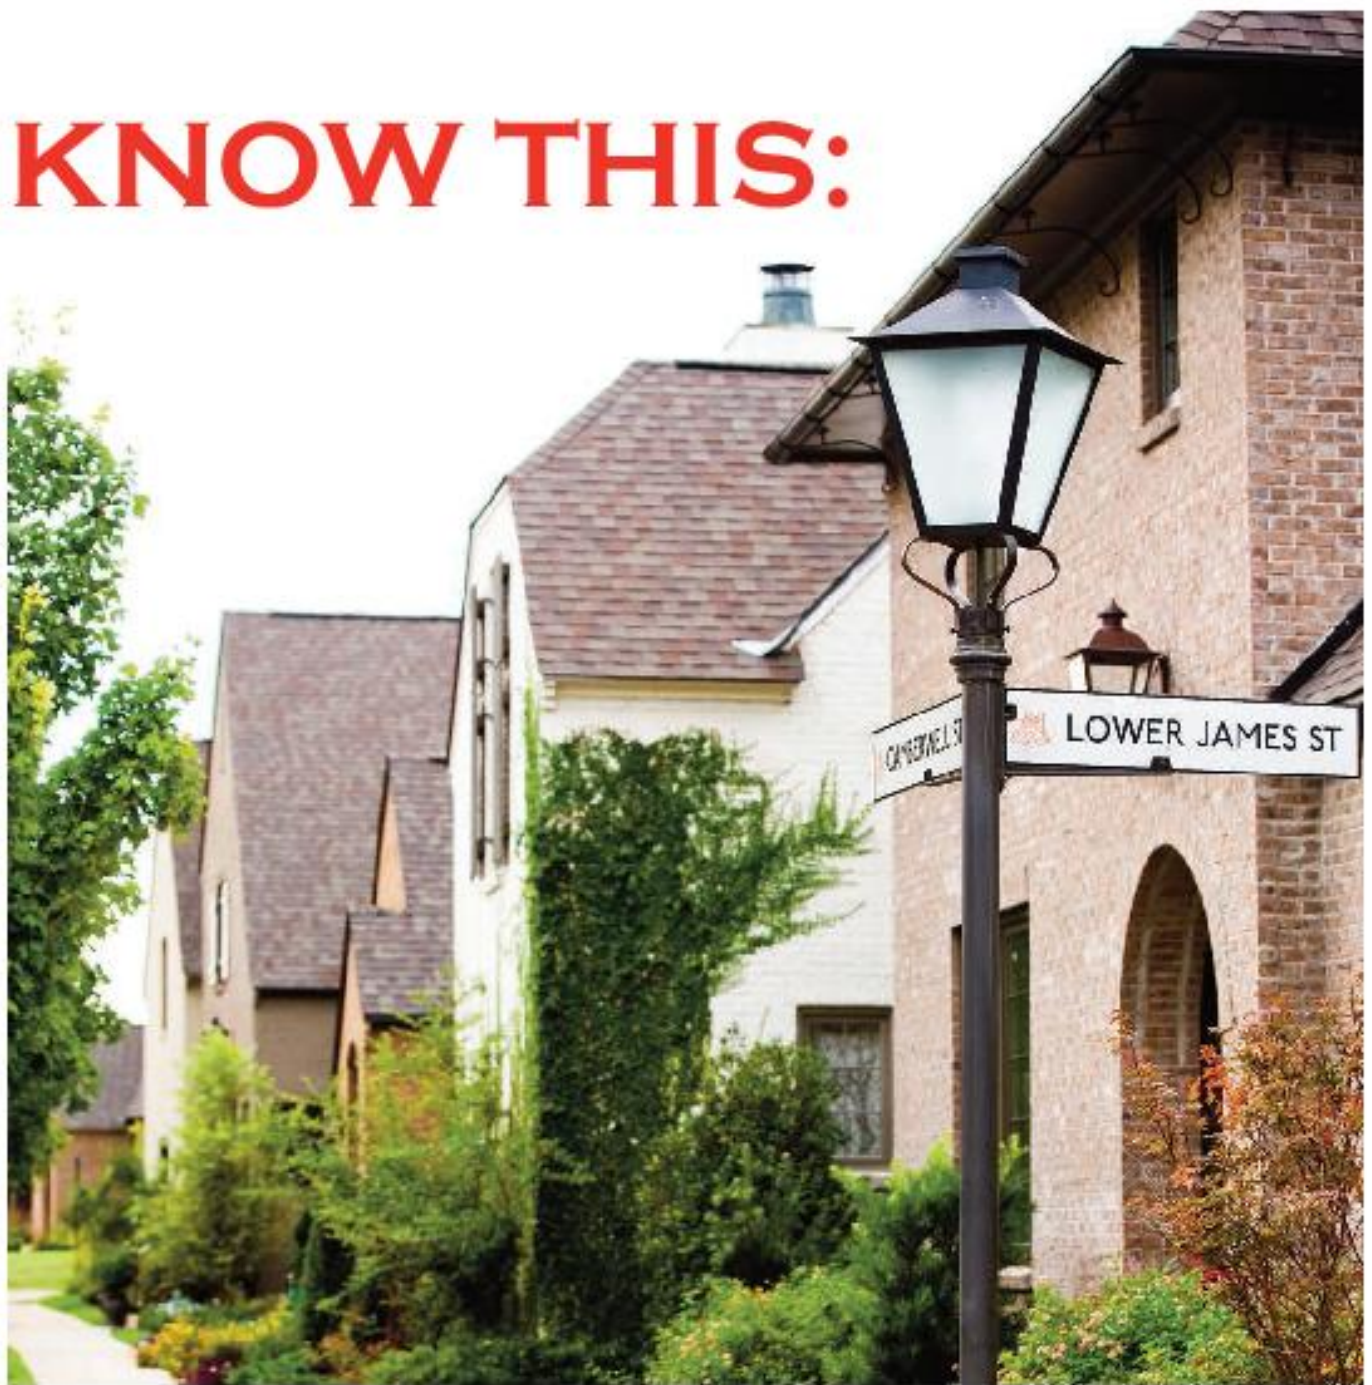

10. Fast, free and reliable consultation from technical, legal, regulatory, codes and business specialists.
9. Members-only access to www.nahb.org. No one will appreciate your thriftiness if you're locked out of information you need.
8. Targeted services for remodelers, sales and marketing pros, system builders, 50+ builders and more.
7. Education- The potential drawback of skimping outweighs any savings.
6. The professional distinction of membership makes a strong case in today's market.
There's really no excuse for home builders working today NOT to budget for membership.
5. News, product roundups, policy analysis, consumer preference information and business trends 24-7.
4. Public awareness, representation in the media and government affairs all benefit from the power of our numbers.
As a member, you're a part of the solution.
3. Cut costs by leveraging the buying power of our 175,000+ members. It's called the Member Advantage program for a reason.
2. A reliable business network. You've heard the saying "penny-wise, pound foolish"?
When it comes to connections, you always need more than you think.
1. The best is yet to come. As the industry changes, so too does our association.
Do yourself a favor: renew today and stay engaged.

Don't leave the future in someone else's hands. Choose to stay.

Mission Statement

The Home Builders Association of Dothan and the Wiregrass Area, a non-profit trade association, is a network of builders and associates whose mission is to educate, promote and instill the professional principles of the home building industry in our members and community. We strive to promote growth through quality housing for our community to fulfill the American dream of home ownership.

KNOW THIS:

Building 1,000 average single-family homes generates \$36 million in taxes and revenues for state, local and federal governments.

HBAA Benefits

Membership in the Home Builders Association of Alabama comes with many benefits to help you and your business. Listed below are just some of the ways that the HBAA is committed to helping its members and building the future of Alabama.

Saving You & Your Company Money

The [Alabama Home Builders Self Insurers Fund](#) offers excellent Workers' Compensation Coverage and safety and loss control services to qualified members. The [Home Builders Association Builders Risk Program](#) is available for residential builders and remodelers. For more information and to find a carrier in your area, contact Helmut Mundt at 855-442-2467.

The [HBAA Member Rebate Program](#) helps builders and remodelers earn money back on products you're likely already using on the jobsite.

Small group health insurance plans are offered through Builder Health Benefits for companies with 2-50 employees. For details, contact Builder Health Benefits at 1-800-672-0023.

The [Verizon Wireless Discount](#) helps you save money on calling plans, phones and accessories.

Protecting & Promoting Our Industry

Active governmental involvement ensures home building issues are addressed in the Alabama legislature.

Statewide public relations campaigns promote the home building industry throughout Alabama and encourage consumers to do business with HBAA members.

The Alabama Remodeling Excellence Awards competition offers remodelers, contractors, kitchen and bath designers, architects and other remodeling industry professionals the opportunity to earn awards and recognition for their outstanding remodeling work in a wide range of categories.

The [Alabama Home Builders Foundation](#) addresses the trade labor shortage by awarding scholarships to train students in building trades, providing career awareness to high school students and working with vocational clubs and high school counselors to encourage more students to choose the building trades as a career.

Keeping You Informed

Publications like [Alabama Homebuilder](#) magazine keep you updated on changes in the industry as well as within HBAA.

The HBAA website's exclusive Members-Only section provides sample contracts, warranty language, online meeting registration, and leasing information for multifamily builders, among other benefits.

Statewide meetings are held three times a year to provide members with valuable networking and educational opportunities.

Boosting Your Professional Development

Special Interest [Councils & Committees](#) address the needs for today's multifaceted home building market. Groups such as the HBAA Remodelers, Professional Women in Building, Investment Property Owners Council and Land Developers Council provide members with information for a distinct area of the building industry.

[Educational Opportunities](#) help you strengthen your potential for growth and success and set yourself apart from your competition by earning professional designations. Designations available through the HBAA's educational classes include Certified Graduate Builder (CGB); Certified Graduate Remodeler (CGR); Certified Graduate Associate (CGA); Certified Green Professional (CGP); Graduate Master Builder (GMB) designations; Certified GreenKey Builder (CGKB); Certified New Home Marketing Professional (CMP); Housing Credit Certified Professional (HCCP); Master Certified Green Professional; and Master in Residential Marketing (MIRM).

For more information on how to become an HBAA member, please contact the [local HBA](#) in your area or call (800) 745-4222.

NAHB Designations

What types of Designations are available?

- Certified Aging-In-Place Specialist (CAPS)
 - Certified Graduate Associate (CGA)
 - Certified Graduate Builder (CGB)
 - Certified Graduate Remodeler (CGR)
 - Certified Green Professional (CGP)
- Certified New Home Marketing Professional (CMP)

LEAD PAINT TRAINING

According to the new lead paint rule from the U.S. Environmental Protection Agency (EPA) which took effect in April 2010, any contractors disturbing more than six (6) square feet on a home built before 1978 must be a certified lead paint renovator. To become a certified lead paint renovator, contractors must complete lead paint training conducted by an EPA-approved instructor.

The Home Builders Association of Alabama (HBAA) has provided lead paint certification training since early 2010, and continues to provide it on an as-needed basis. The one-day training is taught by EPA-approved instructors and consists of a mixture of classroom and hands-on training.

The HBAA also provides continuing education for those who have earned the lead paint certification. Under Alabama Health Department regulations, all Lead Paint Certified Renovators must complete a refresher course every three years. These half-day courses are offered periodically at locations throughout the state.

All trainings are open to both HBAA members and non-members. HBAA members do receive a significant discount on their training.

For more information about the lead paint trainings, including upcoming training dates, contact Kory Boling, HBAA Education Director, at 1-800-745-4222 or email koryboling@hbaa.org.
