Angela to add

point	Item	Actions
1	Welcome and introductions Angela welcomed the new members to the group She gave an overview of the work done on the competencies prior to this meeting.	
2	Introduction Angela discussed the article that one of the members had published “Developing a trauma care syllabus for intensive care nurses in the United Kingdom: a Delphi Study Science Direct 2016, Dean Whiting, Elaine Cole Angela explained that she had cross referenced the 75 points referenced in this article and compared them to our competencies. Ours contained 73 of the 75 points listed. Angela has added the 2 that were missing The group reviewed the competencies again and decided to also add Blast Lung, Blast Abdomen and Spinal Injury	Angela to email to the group
3	TOR- These were agreed by the group	Angela to forward to the Chair of the MTNG Rob Pinate
4	Vice Chair Position	

	Angela Proposed Sharon Sanderson as the vice chair- it was seconded by members of the group.	
5	<p>Competency content and discussion: The group agreed to include all competencies required with the caveat that NA can be added if that competency is not achievable in individual clinical areas where that skill is not required Hayley Prior informed the group that in her unit they use a tracker sheet. The group agreed to add a check list to the beginning of the pack It was agreed to keep the competencies as a standalone booklet to be completed after completion of step 1. It was agreed to change the colour to red to differentiate it from Step one. There was also a discussion about cross referencing the trauma competencies to Step 1, 2 & 3</p>	Hayley to email this to Angela
