Helpful Tips

The Hospital Program of AMVETS Ladies Auxiliary is diversified in so far as it is carried on in all types of hospitals providing health care to the physically and mentally ill; this includes **medically staffed** nursing and convalescent homes of hospitalized Veterans. The bulk of our voluntary service is given to the VA Medical Centers across the country.

St. Jude Children's Research Hospital is a National Program reported under Hospital. Donations made through AMVETS Ladies Auxiliary make it possible for children with **catastrophic** childhood diseases, **mainly cancer**, to be treated without regard to race, religion, creed, or the ability to pay.

Remember our National Project is - "**St. Jude Children's Research Hospital**".

November is St. Jude month, but fundraisers can be held all year.

Please visit St. Jude on the web at – **www.stjude.org**
