Working Memory Exercises for Kids

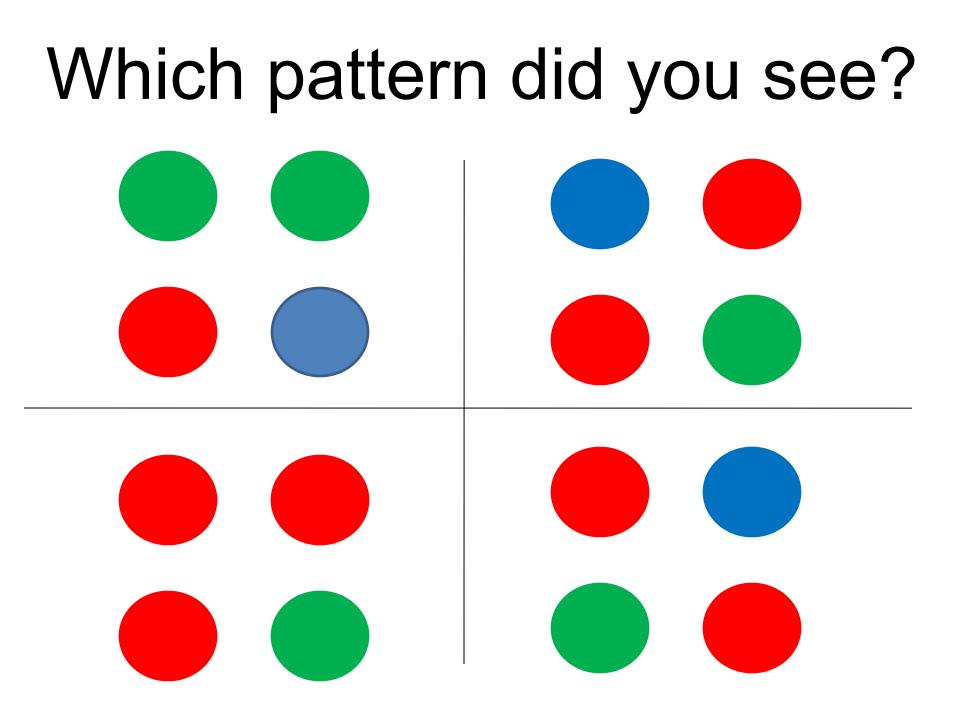

Created by: Amanda Hale http://www.teacherspayteachers.com/Store/Amanda-Hale

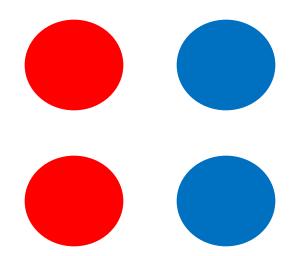

Show student the pattern to memorize

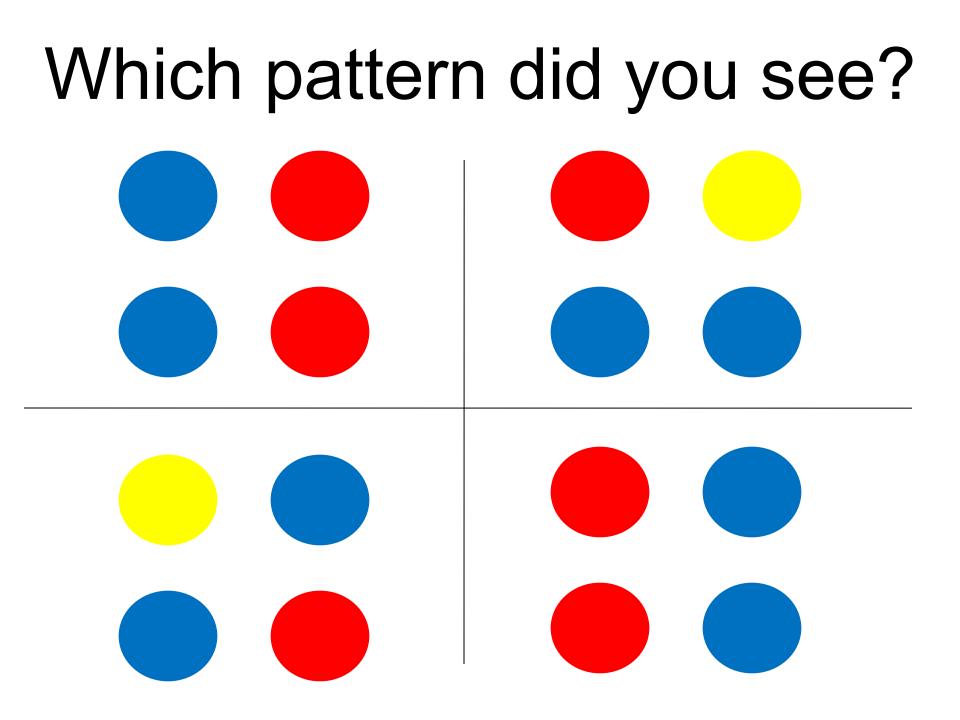

Allow them about 20 second

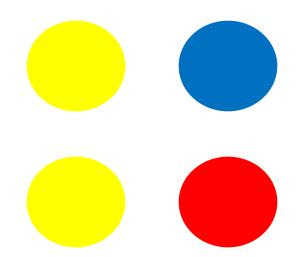

Then show them the second page and have them pick the one that matches what they memorized.

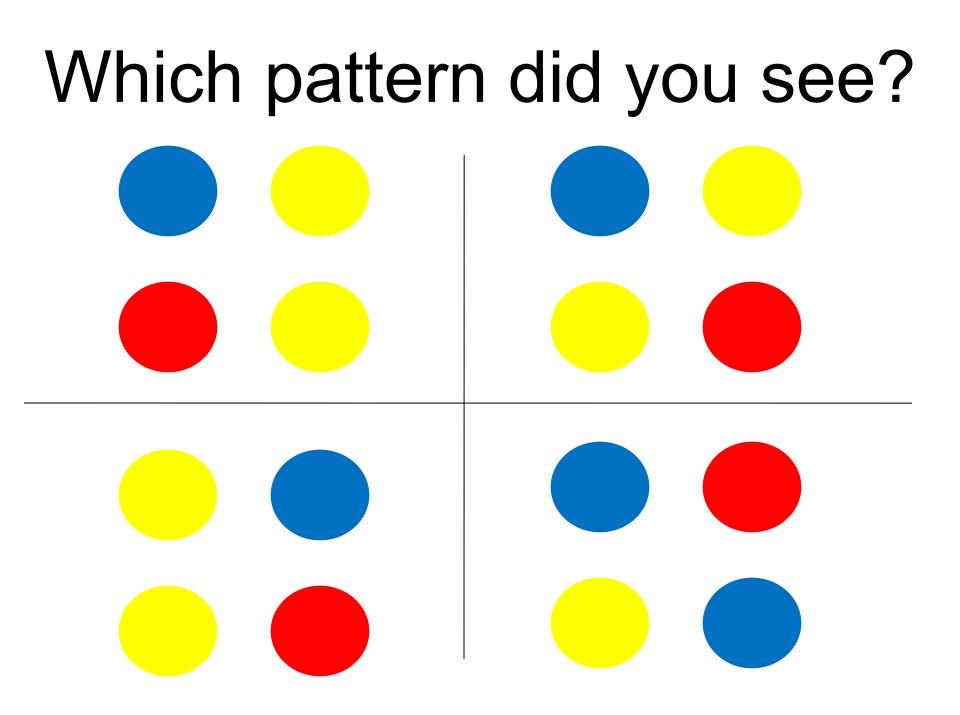

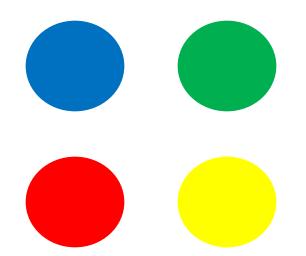

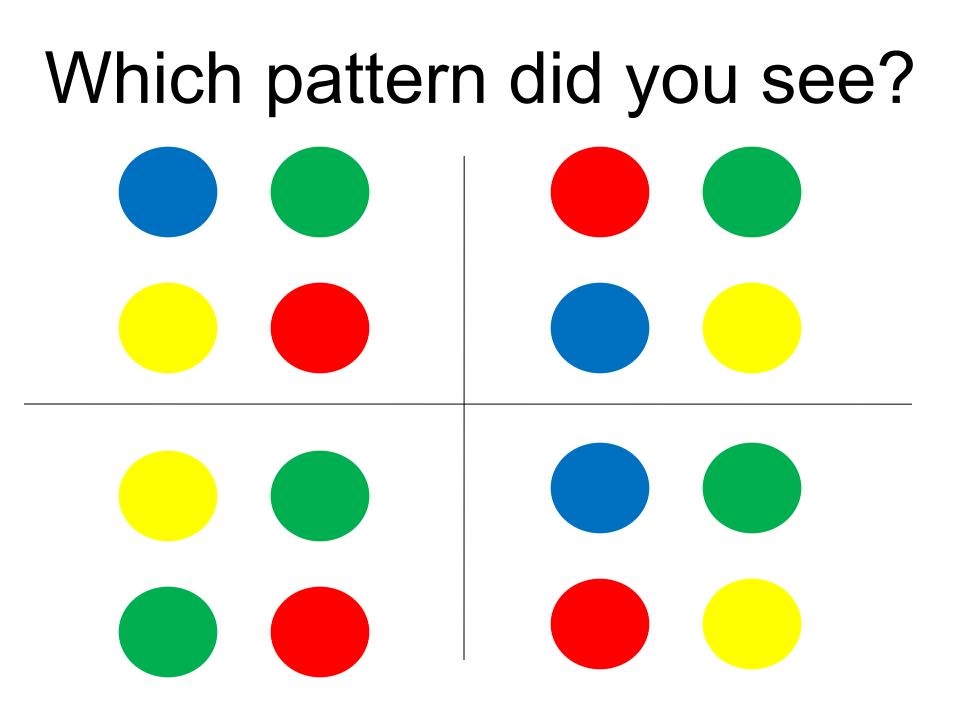

Working on Memory Activity Blue Cards

Show student the card with various pictures on it.

They will have 1 minute to look at the pictures and remember as many of them as possible.

Cover the card and ask them to name all the pictures they can.

Using the check sheet - mark the items remembered They do not have to be specific - ex. They can say dog with bone or just dog. They can say bowling or bowling ball and pins. Set 1

Working Memory Activities

Memory Words

Say the following to students:

"I am going to tell you a list of items that I want you to remember. I will then ask you about them later"

Tell student the list of items

Ask the student the questions listed with the items.

After student has answered the questions ask them to tell you the items you told them to remember.
